

Hieland

1977-78 Volume XXIV

Dear Mary Fern,

I'm glad I could share my work with
you. I hope you enjoyed the windows
as much as I did designing them.
You're a very dear friend and my
thoughts are always with you.

With love,
your "Sam."
Guth

A photograph of a sunset over the ocean. The sun is a bright, glowing orb in the center of the frame, casting a long, shimmering reflection across the dark water. The sky is filled with horizontal bands of orange, yellow, and dark purple. A single bird is silhouetted against the sky on the right side, wings spread wide.

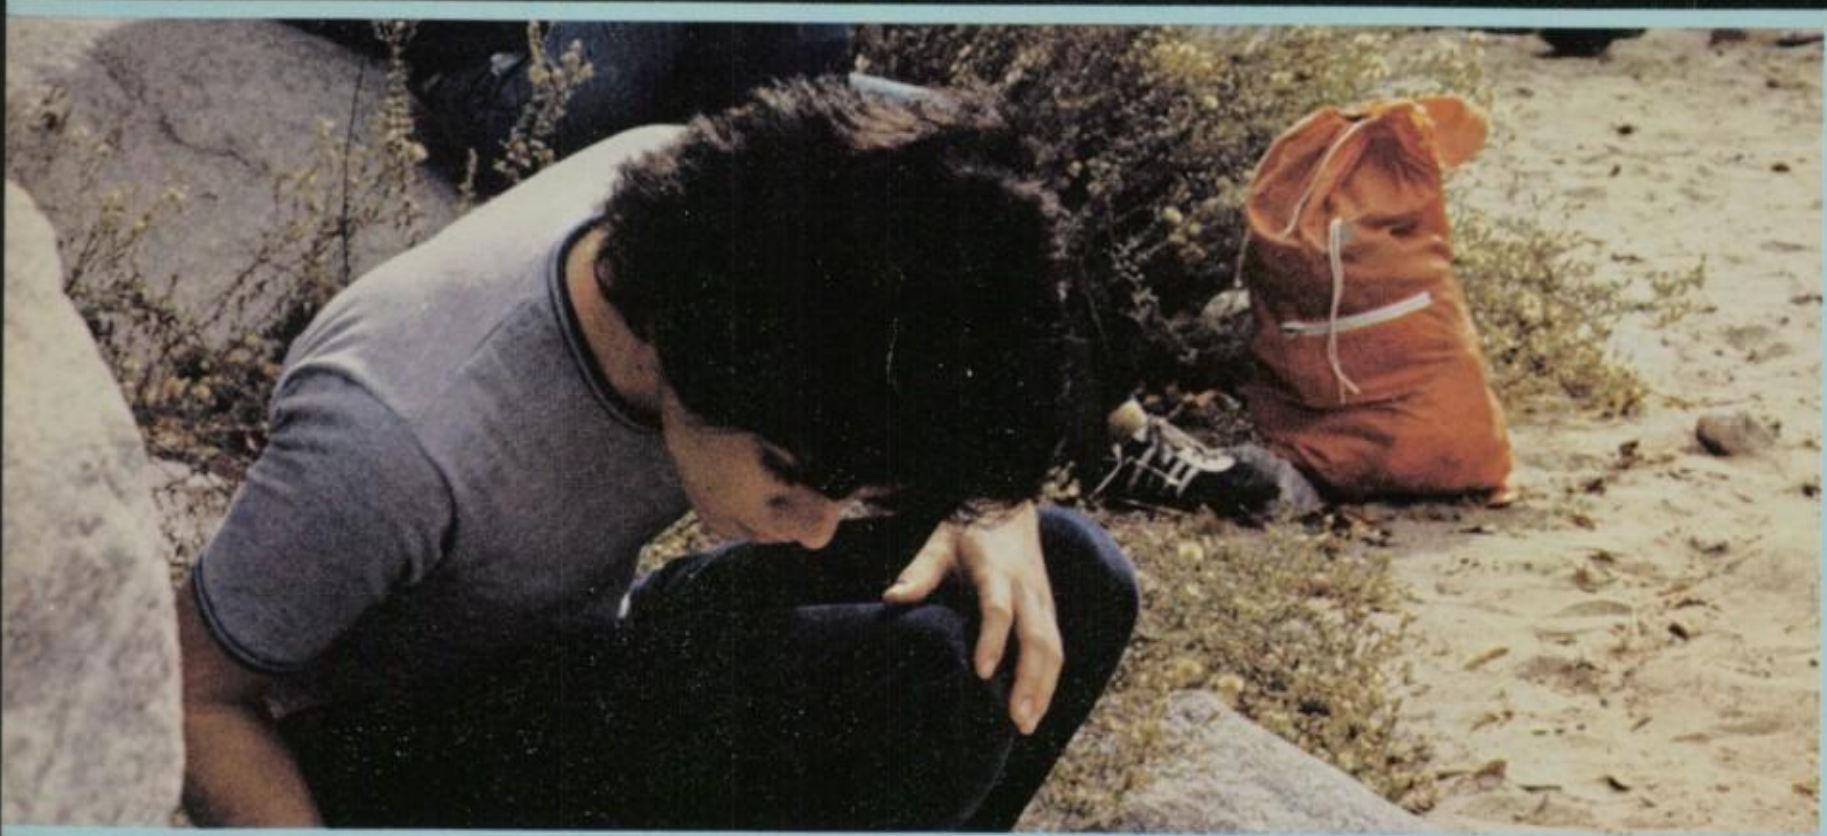

Hieland 1977-78

*Now,
like the explorers of old,
We sail
into the sea of uncertainty.*

*Over the horizon and into
Before us unfolds the wonders*

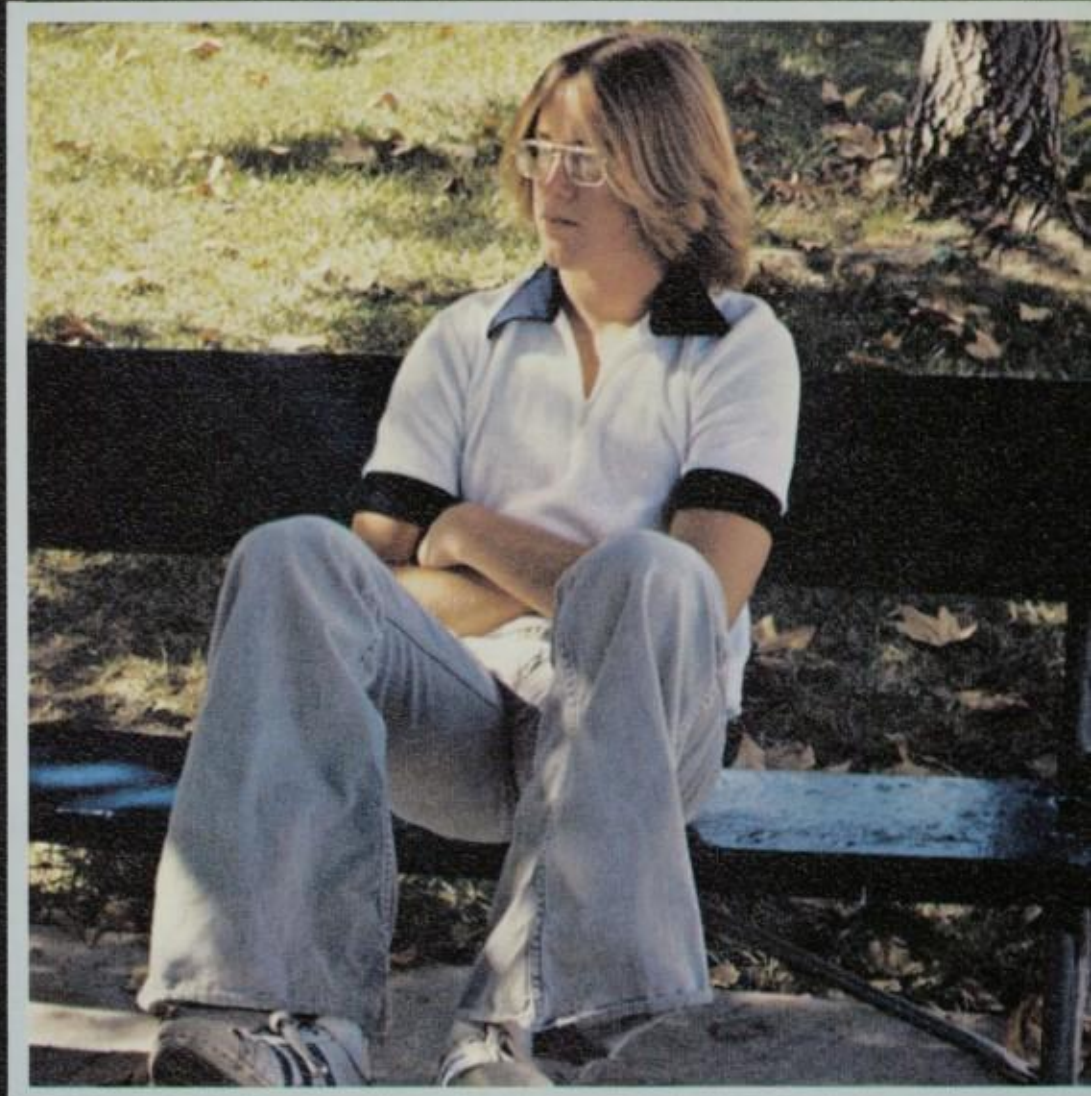

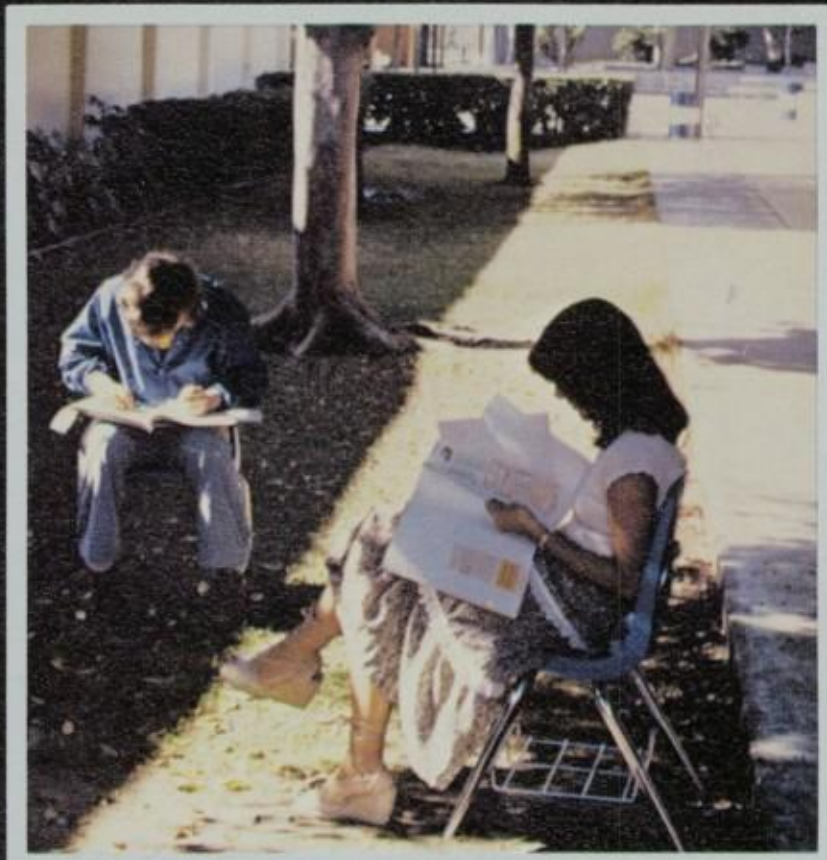

*the future,
of the world,*

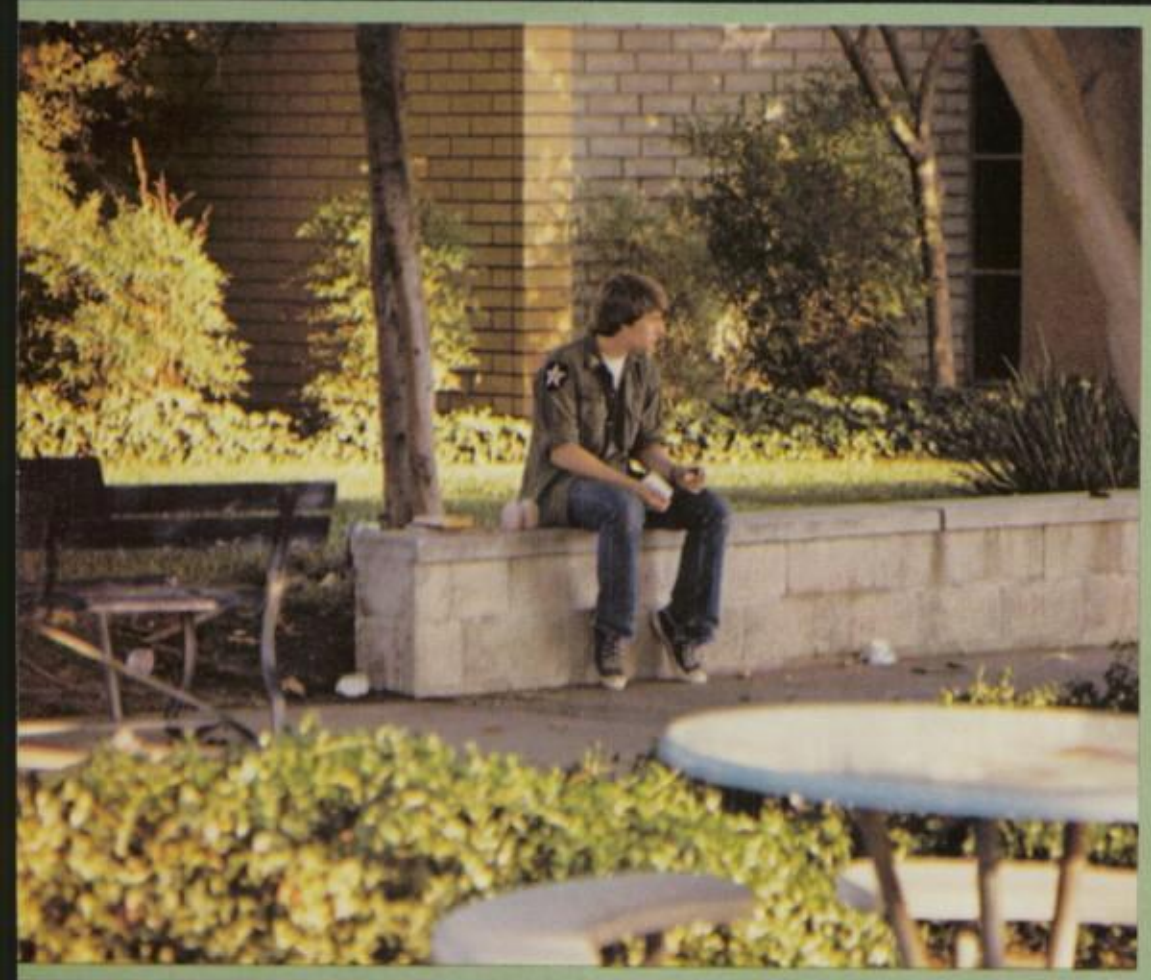

*Which man has
pondered for ages,
And which we are
now a part.*

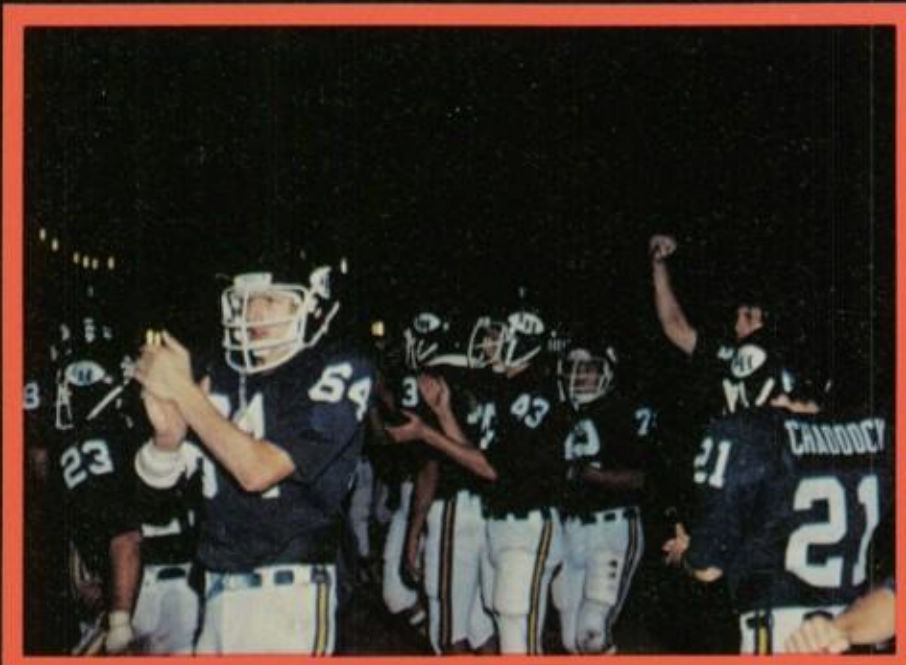

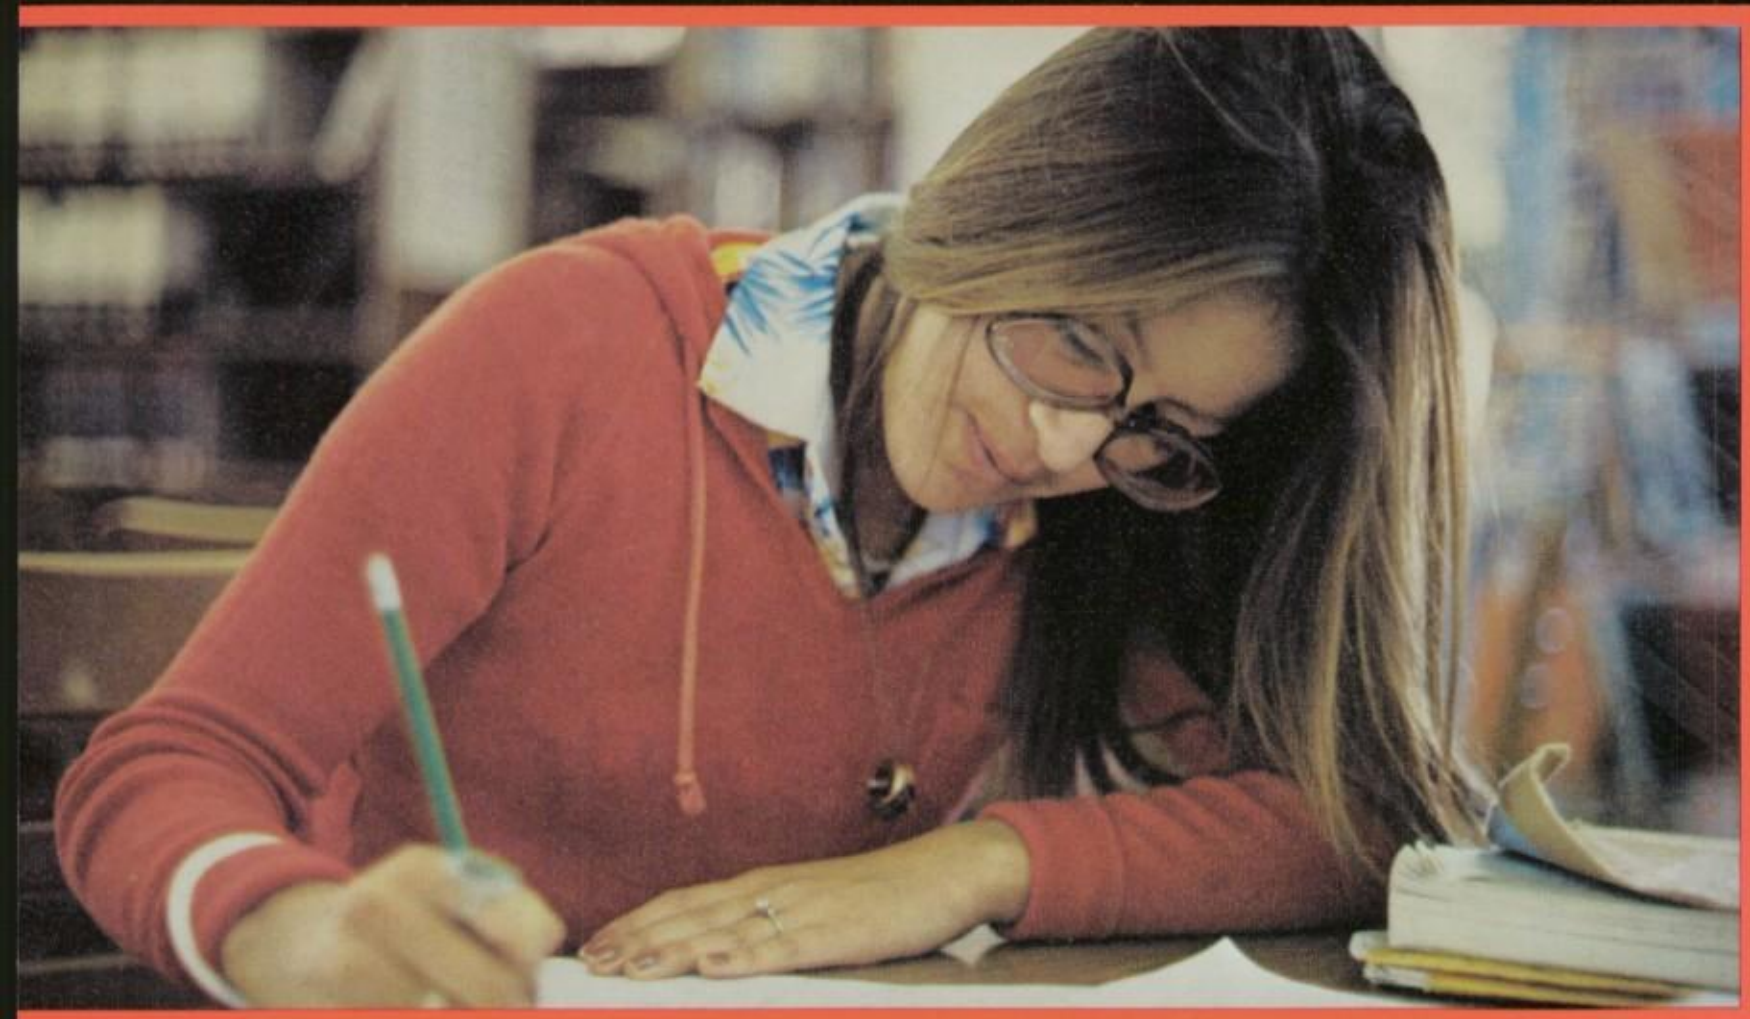

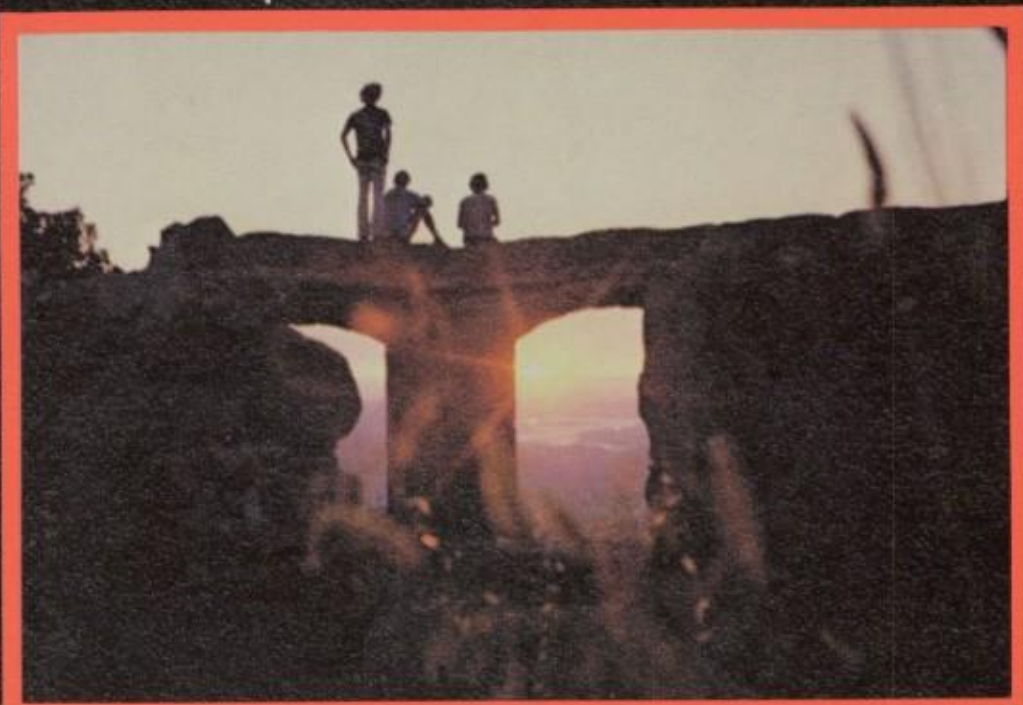

*Experiences like the universe above are infinite.
Some bright, rich
and fulfilling . . .
Others dark, gloom-filled,
clouds of chaos.*

*But all are important
as we explore,
That entity
which we call Life.
Michael Godard*

La Habra High Goes

"Hickey"

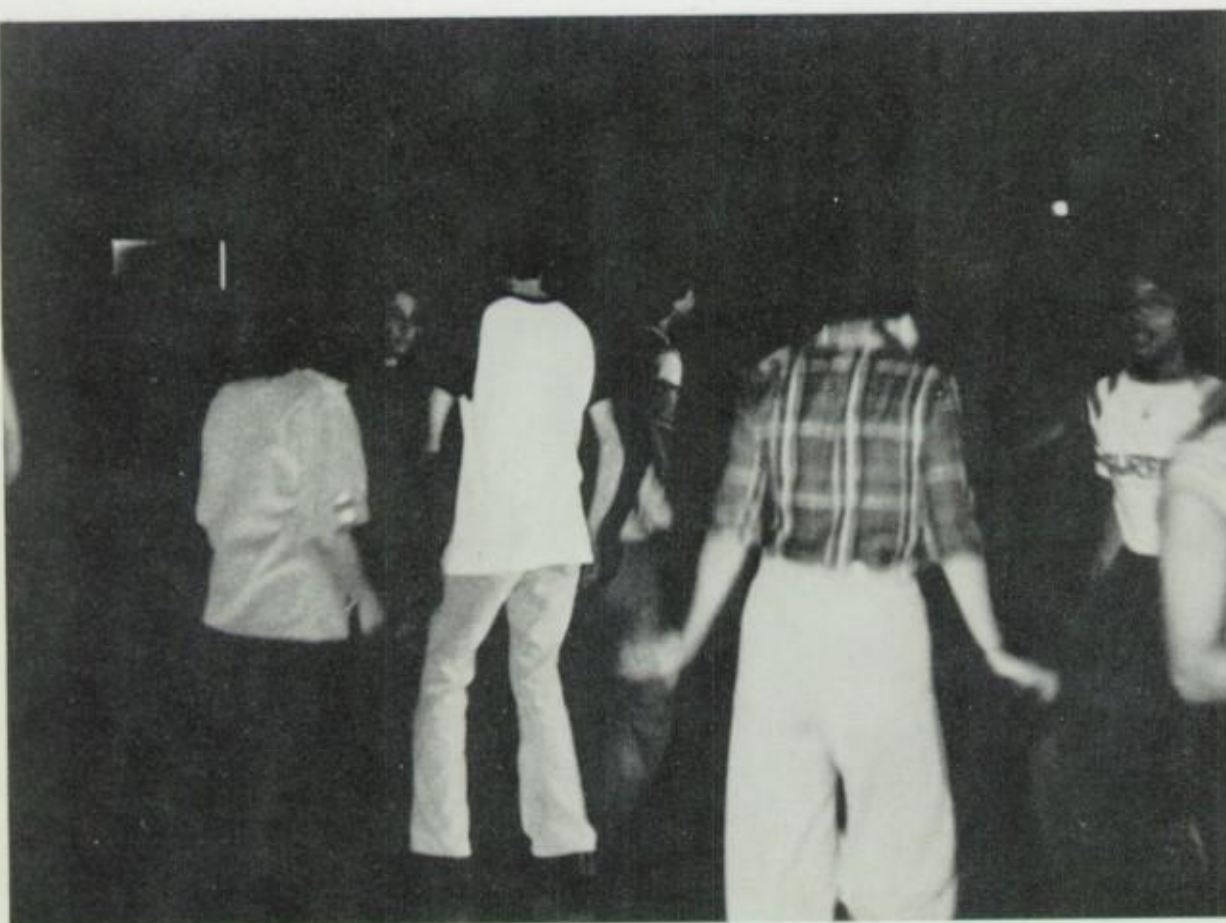

The Sadie Hawkins dance proved to be a very successful dance. The more than average amount of couples enjoyed dancing to the spirit of "Spectrum". The dance will be remembered by the very pleasant background of the pictures and the decorations that adorned the Gym in which it was held.

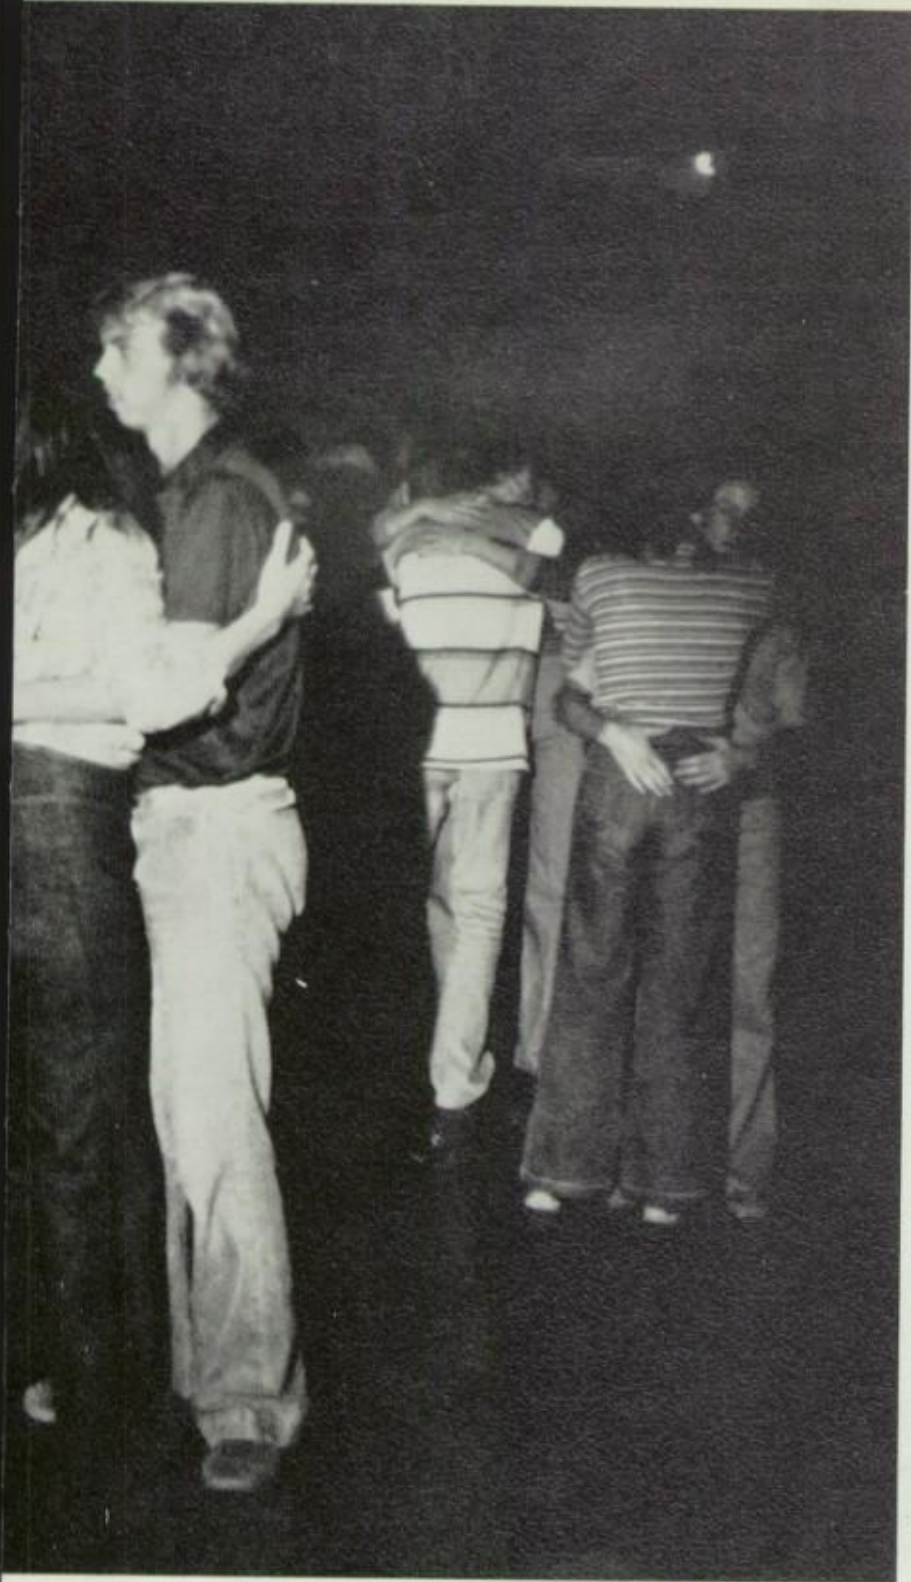

The dance, sponsored by the Students League, was held October 21st immediately following the La Habra High Varsity football game.

"Disco Daze"

This disco dance was a very enjoyable evening. The turnout was less than expected, yet all who went enjoyed. The disco dance was sponsored by this year's A.S.B. cabinet which was held on September 23rd, 1977. This was one of the many disco dances which were held throughout the year.

"Winter

Wonderland," G.A.A. Christmas Dance

On December 10, 1977, "Winter Wonderland", the winter formal was held in the Sterling Gym.

G.A.A. sponsored this dance complete with a snowflake factory. Excellent Disco music was provided by Flight.

Through the hard work of Martha Dennis, Jan Drain, Leslie Contreras, Anne Ramsay, Kim Dunbar, Sharon Kerbow, Patty Lake, Shirley Kerbow, Sandy Lucas, Jeanne Glover, Carolyn Slater, and other G.A.A. members, the Christmas dance was indeed a success.

"Starlight Dreams" Shines

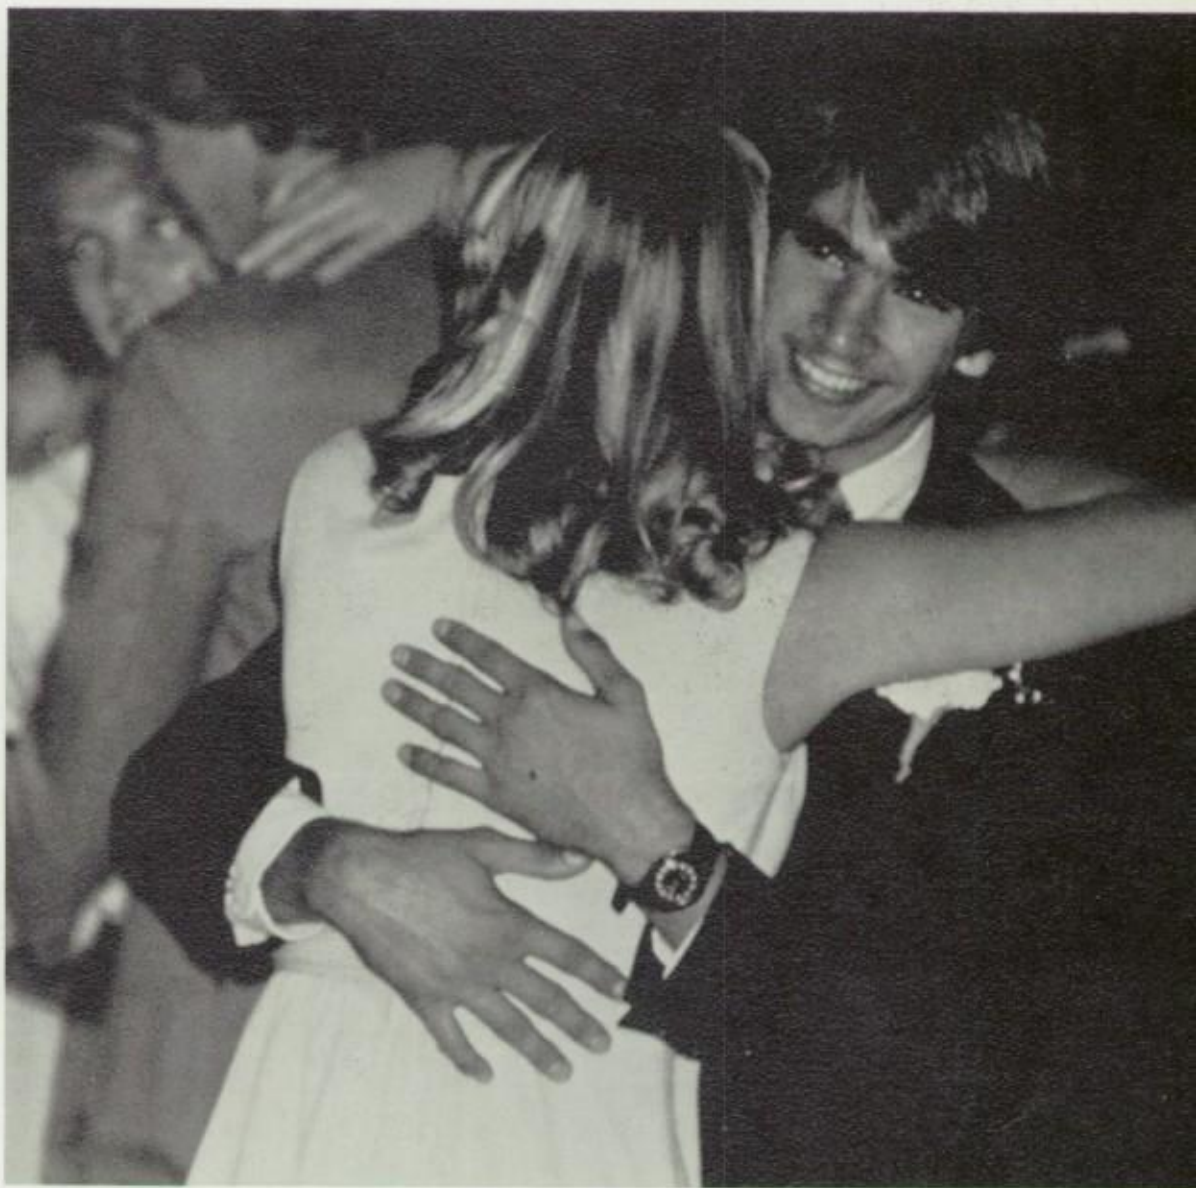

La Habra High's 1977 Homecoming proved to be a most memorable evening for all. Old traditions were broken and new ones established. Half-time activities were celebrated with a variety of events and entertainment. The announcement of this year's five princesses, Shawn Pulliam, Charly Baboff, Connie McCollum, Sue Mason and Anne Ramsay was made by Master of Ceremonies, Chris Profeta. The princesses in their white dresses were brought before the crowd in Corvettes and escorted down a white carpet and onto a stage by their fathers. The use of a stage, the girls in white dresses and the accompaniment of their fathers was a first in LHHS history. Wendy Riggs then highlighted the show with a solo performance of "Super Star" accompanied by Mike Murphy's combo. With all finalists on stage, this year's Homecoming Queen Anne Ramsay, student leader and athlete was crowned by last year's Queen, Julie Adams. Anne was given a bouquet of red roses. Immediately following the game was the traditional Homecoming Dance, sponsored by the senior class. The theme of the dance was "Starlight Dreams", with music provided by "Flagship."

Prom 1977,

Truly "A Touch of Class"

The Beverly Wilshire was the site of the 1977 Highlander Prom, "A Touch of Class".

Jr. Class president, Angie Freeman, introduced last year's King and Queen, Neil Macready and Kathie Doyle who crowned the new Royalty, Grant Palenske and Lori Fernandez.

Wendi Riggs and Kelly Neilson sang Colour My World during the coronation. "A Touch of Class" was the first of its kind as it was a dinner dance. More than 200 couples danced to the music of ACE.

As a final touch, breakfast was held at Whittier Masonic Temple with BlackWater Gold as the performing band. Special thanks to Prom Chairman Trisha Alatorre and Co-chairman Paige Partee along with Breakfast Chairman Martha Dennis with Co-chairman Marie Eller. Prom 1977 was truly "A Touch of Class".

Spring's

Spring was welcomed to L.H.H.S. by the familiar antics surrounding Spring Week. From March 13th to the 17th, the days were filled with activities which included a jelly bean guess, disco dancing courtesy of Little Ron, a sexy leg contest, skateboard races and finally the Award Day where students received awards for their spirit during the week. The Easter Bunny was also on hand to pose with eager students for the ever popular Easter picture. All in all, Spring was certainly welcomed in with style at L.H.H.S.

The Man Who

L.H.S.' 1977 production of the Kaufman and Hart comedy, "The Man Who Came to Dinner", was a student faculty production. The show opened Wednesday, November 16, and played four consecutive nights.

The story revolves around Sheridan Whiteside, a world renowned critic and lecturer, who slips on a piece of ice on the doorstep of Mr. and Mrs. Earnest W. Stanley and breaks his hip. The conflicts that arise from all the unusual friends that come to visit him makes this one of the most enjoyable shows this year. Mr. Reule, the director, stated "It was a very enjoyable and workable relationship between students and faculty."

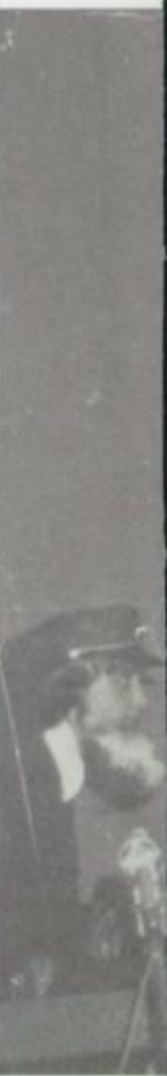

A black and white photograph of a young man and woman in a living room. The man, wearing a light-colored jacket and a dark scarf, is leaning over the woman. The woman, wearing a light-colored dress and white shoes, is leaning back against him. They appear to be in a playful or intimate pose. In the background, there is a Christmas tree, a doorway, and a framed picture on the wall.

Foreign Exchange Students Say Good-Bye

Hi!

I don't know how to start because I don't want to sound sentimental. I just want to say "goodbye and thank you" to all who welcomed me so nicely and became friends of mine.

I enjoyed all the school activities and learned all kinds of new things. When I go home I'll have lots of new ideas. I think that the only thing I will never understand is football.

Although I first felt lonely, I now consider myself a member of your school who shares all the good and dumb things of being a student.

Being an exchange student is a neat experience, and it will hopefully help break prejudices against other countries. Perhaps you have never considered being an exchange student, or maybe you're just too scared. Don't be scared, because a whole new world opens up to you, and that's fun.

Some day when you visit Germany, don't forget to visit me in Hamburg.

Bye!

Iris M. Papcke

Dear Highlanders,

I would like to thank all of you for a very nice and pleasant year in your school.

If you only knew how great I've had it here in the U.S. and in La Habra. I know that I have many friends in Sweden that would have liked to have had the same opportunity, but everyone cannot be as fortunate as I have been.

I would also like to thank my teachers and the rest of the staff for being so understanding and helpful.

If you ever go to Sweden, which I hope some of you will do, come see me and I will show you some of the brightest and most beautiful places in Sweden.

I know you would enjoy Sweden with our mountains, beaches and beautiful "blonde, blue-eyed" girls!

I thank you all again, and

Hej Rises!

Yours Sincerely

Robert Hyltén-Lavall

Associated Student Body Officers

A.S.B. Cabinet

John Purcell, President

With the closing of another year, we are thinking of those who will leave and those that will continue on at La Habra. For those of us graduating, we have had four years of growth and memories that will remain forever. Much of this growth can be attributed to our faculty. Due to their hard work and perseverance we have increased our knowledge. Our administration has helped our emotional growth by increasing our freedoms and responsibilities. What we learn from other students may be the biggest part of our education. When times are good, we want to share them with friends, but when things go bad, we need the support friendship gives. This is why the relationships we build are so important.

It is through these acquaintances and friendships we form values, opinions, and ideas which stay with us through life. No matter where our future lies, many of our reactions are influenced by what has happened in our high school years. The leadership you accept now is important for tomorrow. I hope that you were able to receive all the guidance you looked for in your years at La Habra.

For many, some of their guidance must come from the A.S.B. government. This body becomes more important every year as the students obtain more liberties. The job of the school government is to take the student's ideas and use them to lead the students in a direction they want to go. This years cabinet has tried its hardest to fulfill this goal. We hope that we have led you the students to where you want to be. Carry on the Highlander tradition.

Sincerely,

John A. Purcell

Future Farmers of America have shown their animals in many fairs. Each may have their animals on display for the annual Farm Fling. Occasionally they are on Agricultural U.S.A. Many hours are spent caring and feeding for cows, sheep, pigs, and plants. Each year they go to Mount SAC and compete in horticultural (the study of plants) and agricultural knowledge.

Student League, formerly Girl's League, is an organization that assists college-bound students by providing scholarships. The club sponsored the Hen House Ho'Down early in the year and sold candy canes during the Christmas season. They also put on a Mother-Daughter Tea in April and Flower Day in May to raise money for the scholarships. The club was also involved in activities working with the Ecology club to help clean up La Habra's campus. Over all, the year was filled with exciting events pleasing to both the cabinet and student body.

To be eligible for membership in the California Scholarship Federation you must be a Sophomore, Junior or a Senior. An accumulation of ten points is required. Seven of these points must be earned in such academic departments as English, Foreign Language, mathematics, Social Science and Science. Receiving a "d" or an "f" results in automatic disqualification in CSF.

The Yearbook staff is a group of chosen students; all working hard to achieve the same goal, successfully completing the annual. Our goal this year for ad sales was \$5,000.00. Although we did not reach this, we surpassed the amount raised in any single year. In January the staff also received notice that the cover on this book reached national Cover of the Month.

The 1977-78 staff of the Scotch Tape was a versatile group. There was an abundance of writing talent as well as art talent. Many of this years staff were inducted into Quill and Scroll. Mrs. Dodd was generally pleased with this group even though there were several controversial subjects dealt with. This years underclassmen will put together another good volume of Scotch Tapes next year.

The Flag Tivirlers this year proved to have as much talent as spirit! During the summer at camp, they earned a second place trophy for most hard working, plus a second and third place for various routines. These routines were also performed at a Los Angeles Ram's game early in the fall. The girls have had a very successful year, performing outstanding routines which have held many an audiences' attention. They did a good job living up to the Highlanders' standards.

This year's Girls' Varsity Team was not as successful as the coaches and players might have hoped. However, there were many bright spots for this year's team. Among them was the outstanding individual efforts of many of its members.

Six members of the team were selected to represent the Highlanders for league finals. These girls were: Jan Drain and Sharon Korbow, Doubles; Jeanne Glover and Linda Yoshihara, Doubles; Lisa Cota and Leticia Johnson, Singles. Drain and Korbow showed that their outstanding season record of 36-2 was no fluke as they advanced to the semi-finals of league play.

The team finished the season with a fine 8-6 league record and they promise to be even stronger next season. With the fine coaching of Coaches Roberta Bland and Gary Wright, the team should continue their strong play.

Front row: Diana Stewart, Lupe Herrera, Kim Dunbar, Row two: Shirley Kerbow, Leslie Contreras, Lori Kuwabara, Lorraine Cota; Row three: Kristen Bowlin, Anne Ramsay, Captain- Martha Dennis, Diane Tschasar.

The Varsity Volleyball team had an outstanding season. They worked hard all summer by being in a summer volleyball league. Entered in two tournaments, they took 2nd and 3rd in the San Bernardino and Westminster tournaments respectively. They tied for the championship with a 13-1 record. Through the season, they were ranked 9th in the CIF polls, and entered the playoffs with a 15-1 record. They advanced with a 1st round victory over Artesia, but lost to Los Altos in the 2nd round. It was the first time La Habra had ever entered the CIF playoffs in Volleyball. By losing only 2 starting seniors, the team showed their outstanding depth and should be just as strong next year. Special honors went to Kristen Bowlin, who made the 1st team All-League, along with Martha Dennis and Anne Ramsay who made 2nd team All-League. The great coaching of Mrs. Blumenthal led the team to their first title crown in the history of La Habra High School.

J.V.'s Gain Experience

The JV volleyball team had a very successful season coming out at the end of league with an 11-3 record. This was good enough to place them second behind El Dorado who they beat to give them their only loss. With the experience of seven juniors and the outstanding sophomores and freshmen, the team held up the tradition of outstanding JV volleyball at La Habra High.

Cross Country had its first year as a team. Although their record was 1-8, they achieved many of their own goals. The young team was led by captain sophomore, Carla Allen, who had the most placings. With more experience, next year they should have a strong team.

Although this years hockey team lacked a large amount of players, it certainly did not lack talent; especially with the incoming freshmen. This was proven by 5 girls being selected to the All-league team, Leslie Contreras the leagues leading scorer, Jan Drain, Sharon Kerbow, Bonnie Nash and Anne Ramsay. The season opened in November with league starting in December. The team, although young and inexperienced, ended the league season with a record blemished only once, 8-1-1. Scattered throughout the season were practice games against potential C.I.F. contenders in which the team had 3 wins and 1 tie. C.I.F. started with LHHS drawing a bye, as it was ranked in the top 5. It ended with a tough loss to Tustin in which Tustin won 0-0 by penetration time in sudden death. The team is losing 5 seniors, but can look forward to another good year.

The girls Basketball team did very well this year. Through the first round they went undefeated 8-0. A young team, with only three seniors they dominated the league by beating teams at a minimum of 10 points a game. With only 8 players filling up the squad, the team can look forward to a full starting line up of experienced players next year. Coach Wallis molded them into a championship team and again took them to C.I.F.

J.V.'s also had their share of success. Through the first round with a record of 6-2, the team was made up of almost all freshmen. The Basketball program can look forward to many more years of success.

Track Dominates with Talent

The girls track team has had one of its most successful seasons. With only one senior leaving, the team should be even better next year. The teams success was punctuated with outstanding individual performances, but was most evident in the girls' desire and dedication.

The team participated in three invitationals which were the Tustin relays, Fullerton Union, and Redondo Beach, respectively, where they put out their finest ability.

The excellent coaching by head coach Harry Dolen, Craig Hastin, and Steve Parminter have stressed improvement for each girl, which has paid off in 7 school records, reduced times and fine efforts in C.I.F.

The Girls Softball Team was coached by Mr. Tex Wallis and Mrs. Kaki Levin. The team had a great season with many returning from last years C.I.F. team. Although there are many young players on the Varsity, their talent proves to be strong.

The J.V. team was coached by Miss Judy Wallis. The Freshmen showed to have much talent with Varsity potential.

In their first meet, Charise now holds the record for the 100 Fly at 1:06 and the 100 Breast at 1:19.8. Also, the following girls broke the 400 Free Relay Team Record at the Walnut meet, Charise Hoffman, Kelly Higbee, Sue Breniman, and Cindy Dorado. The new record is 4:26.5. Janet Ashabraner was our potential CIF diver. With all the efforts of the hard working girls, La Habra had a successful season this year.

Fourth Singles: Harold Rhodes

The Clan tennis team runner-up in C.I.F. last year and Orange League Champions are expected to repeat as the Orange Champions. With a great combination of doubles and singles players, the Clan hopes to place well in C.I.F.

The tough doubles team of David Getz and Eric Quade, who have played doubles together for three years, showed their valuable experience and led the team throughout the year.

The second doubles consisting of veteran Grant Palenske and first year Varsity player Mike Martin, worked together to make a good second doubles team.

The first and second doubles team combined together, make two of the best doubles teams in the Orange League.

Singles are led by fourth year letterman Brent Hoffman and Dan Baird a second year letterman. Hoffman and Baird haven't had much competition as of yet in League. But C.I.F. will be the real test.

First year Varsity players Steve Gross and Harold Rhodes are gaining valuable experience for the C.I.F. bound Clan.

Freshman Russ Sprinkle is a late edition to the Varsity squad. He adds much depth as a single or doubles player for the already strong team.

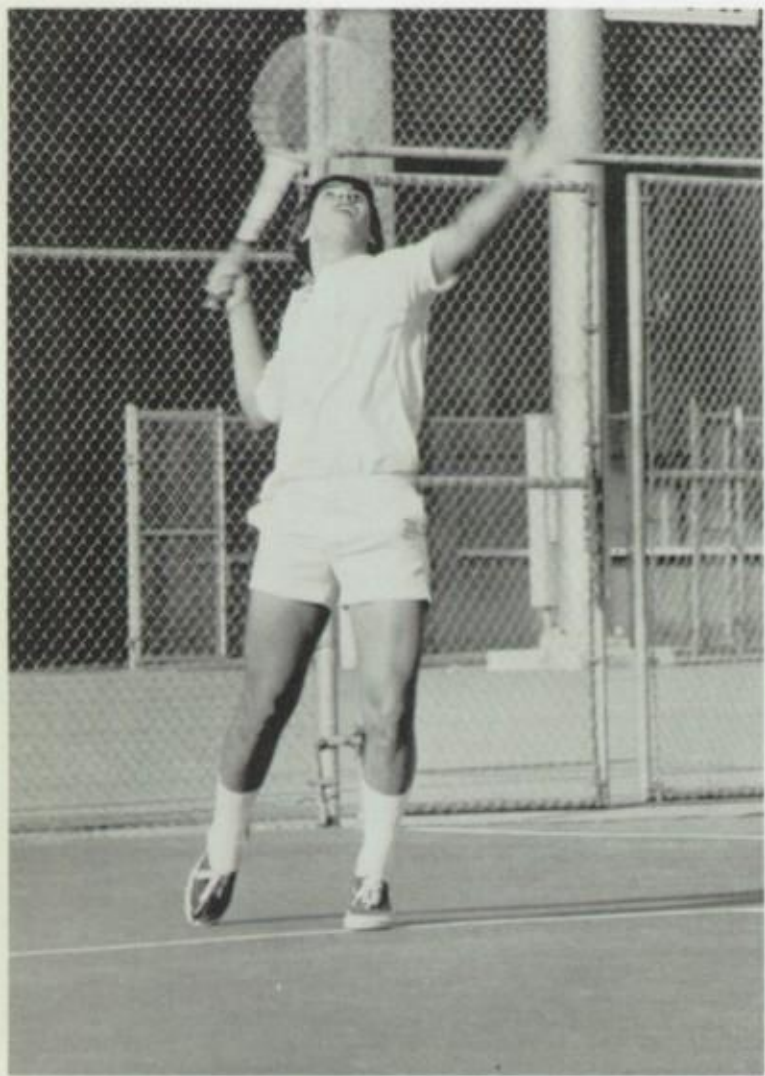

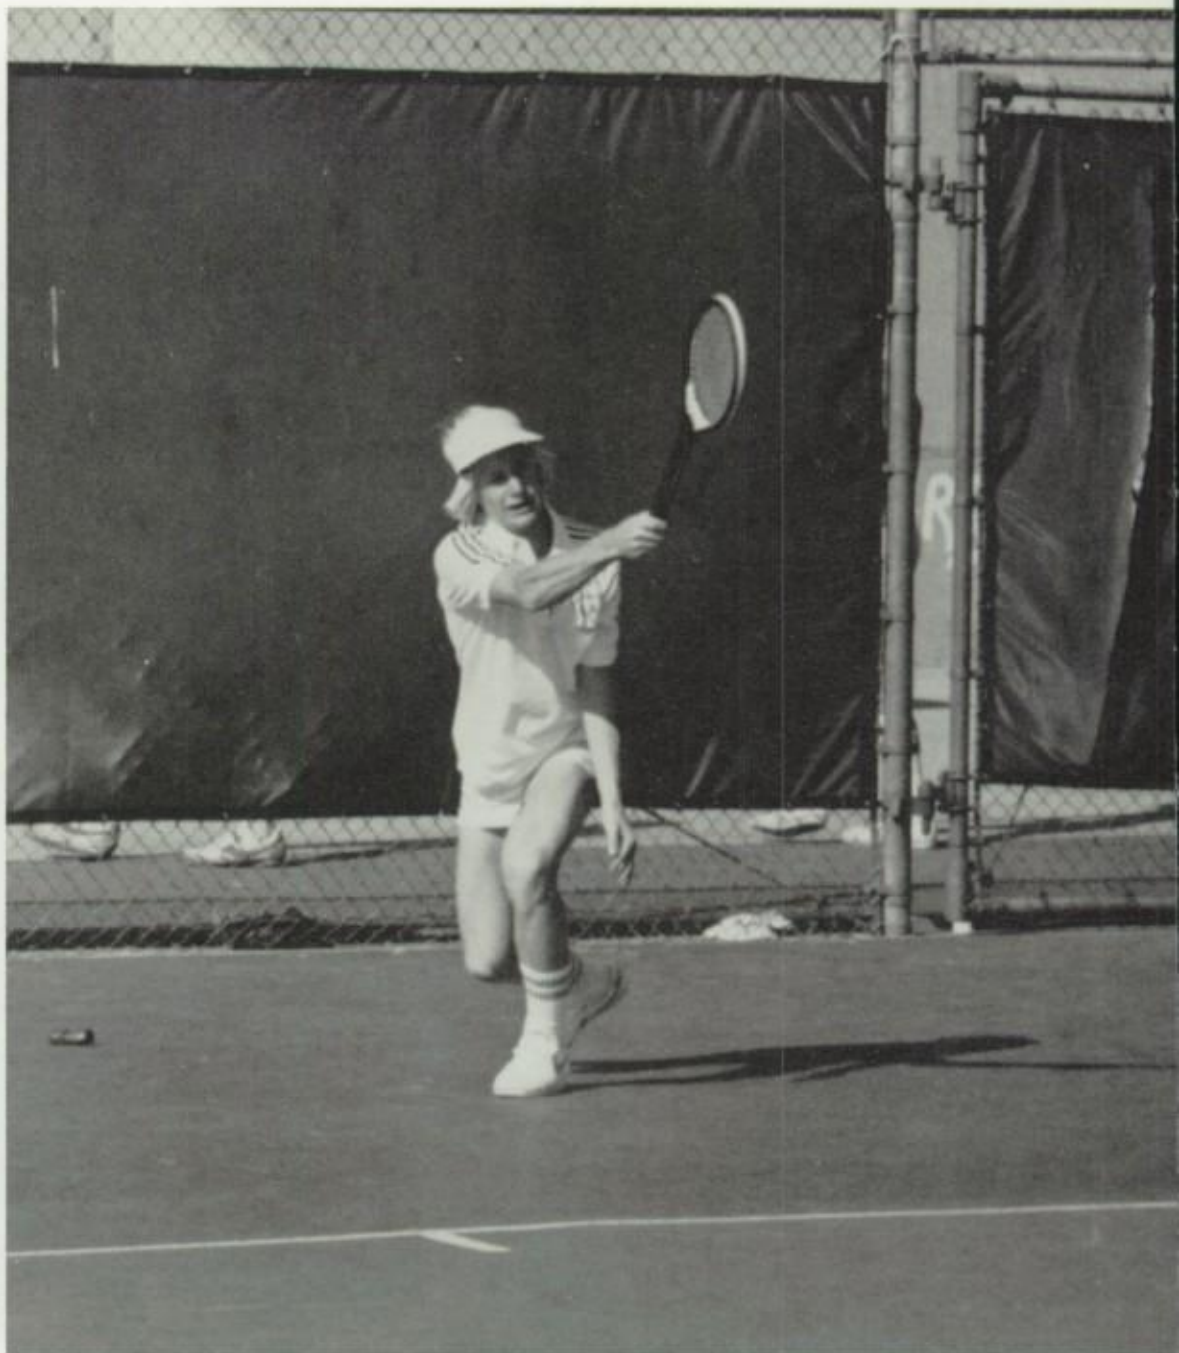

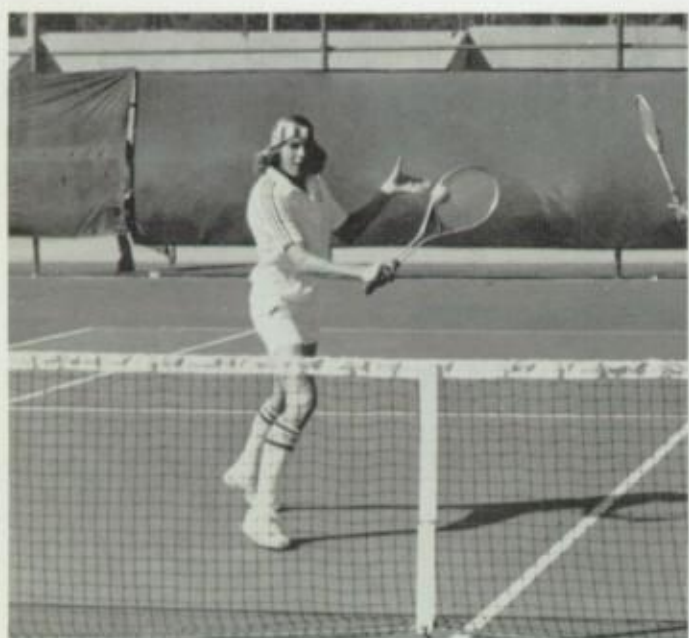

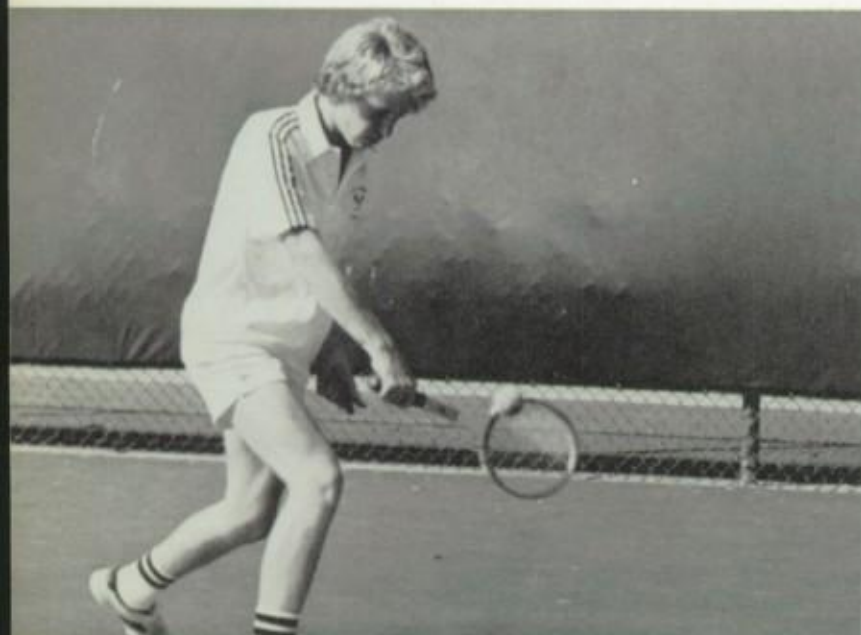

If things go as planned this year for the Clan, they could very well be the first team in L.H. history to win C.I.F. Championship.

The defending Orange League Champs are led by two solid doubles teams of Rick Partee, Russ Sprinkle and Jeff McHenry, John Chaddock. The singles players were led by Kirk Mott and David James, Albert Franco and Bob Barnes filled the next of the singles positions. The J.V.'s took league honors by placing first. Coach Wright is looking forward to this group to fill in the varsity spots in the near future.

The 1978 edition Baseball Team proved once again to be a top contender in the Orange League. The young team, under the leadership of coach Joe Quesada and Senior Captain John Foreman had a fine season, and gained much valuable experience.

The leadership for this young team was provided by seven outstanding seniors. On the mound were four seniors; ace Mark Dieckhoff, Mark Gebhardt, Dave Williams, and Steve Demos. The remaining seniors were Foreman at second base and Charlie Plant and Ken Speer in the outfield. Plant is a three year letterman.

The juniors who filled the remaining positions were Dennis Galaviz, a pitcher, Dirk Charron and Jeff Ross, at catcher. Vito Santoro covered first base, Danny Morales second, Dave Arnold was shortstop, David Muskrath and Joe Valencia took turns at third, and Rick Larsen and Scott Shoup were in the outfield.

Next year should be that year long awaited for by Coach Quesada and the Highlanders.

Individual Swimmers Stand Out

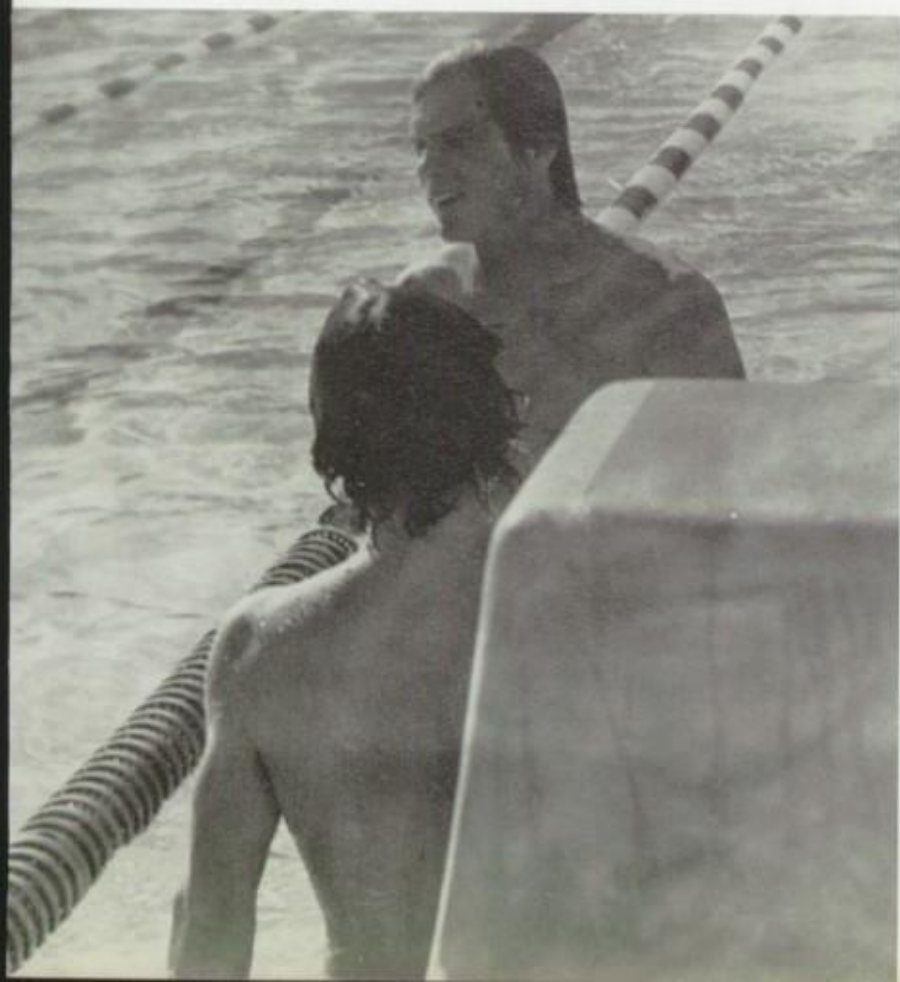

Due to a severe lack of depth, the Highlanders swam their way through a season which left them with an 0-7 league dual meet standing and an 0 - 10 overall dual meet standing. Fighting off the depression of losing team scores, however, many outstanding individual efforts kept Highlander swimmers in the forefront of individual league standings.

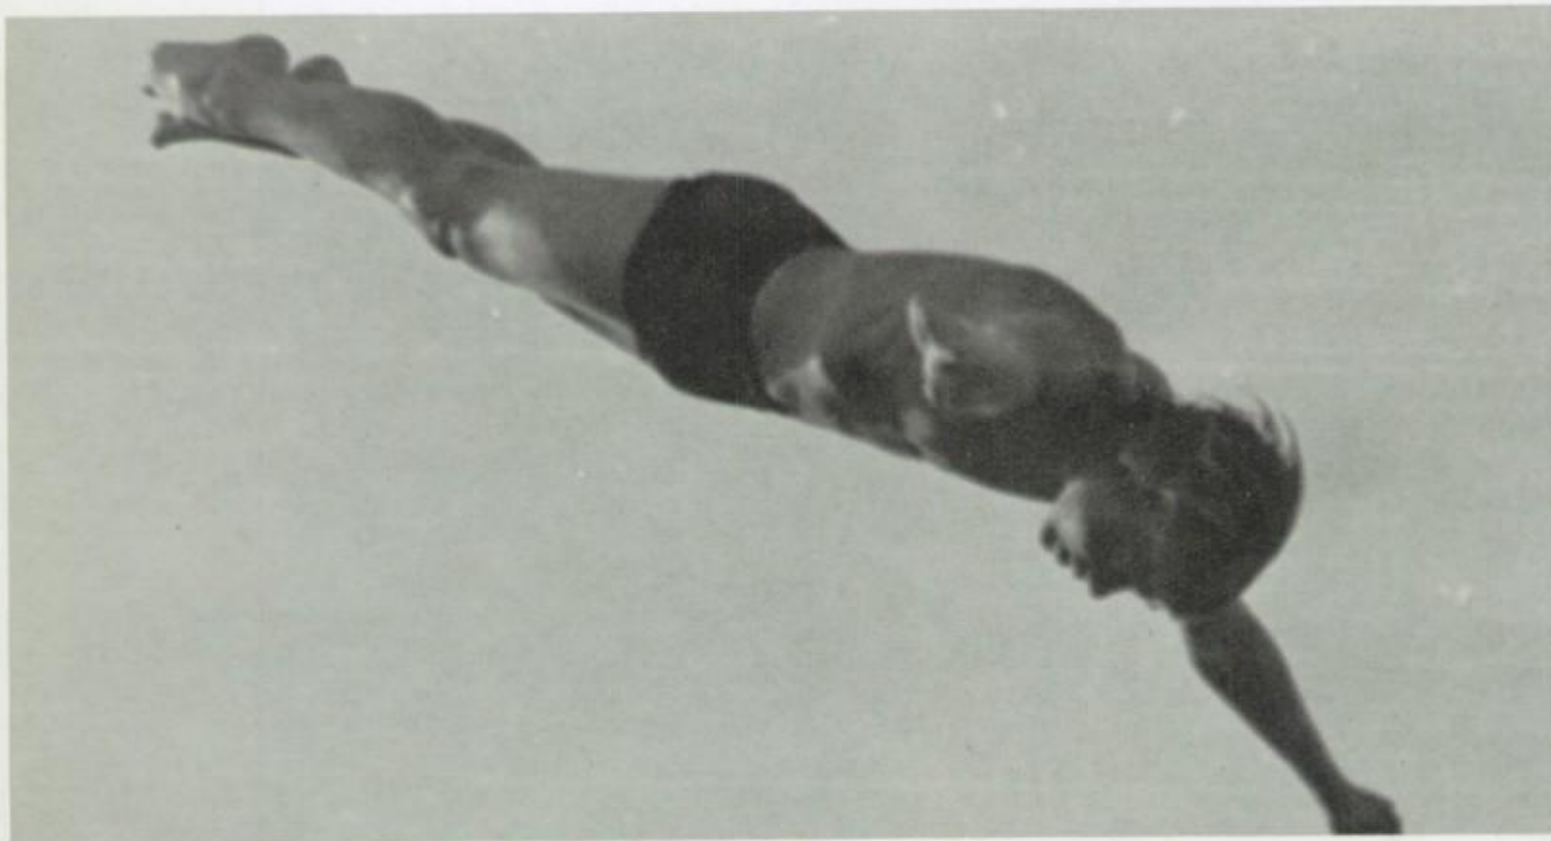

Heading up this years Varsity team were seniors Rob Casjens (200 free, 500 free, free relay), Mike Lally (200 free, 100 fly, 500 free, free relay), and Kevin O'Brien (medley relay, 50 free, 100 free, 100 back). Also swimming Varsity were Chuck Hoffman (50 free, 100 free, free relay); Fred Imhof (medley relay, 50 free, 100 back, free relay); sophomores Brent Cross (medley relay, 50 free, 100 free, free relay); Mike Glandorf (medley relay, 50 free, 100 back), and Chris Peterson (medley relay, 200 I.M., 100 breast). Leading the way in Varsity Diving for the Highlanders were freshman Matt Tapscott and sophomore Victor Vendrell.

Much credit is due those who strive against great odds and still triumph.

Frosh-Soph Stroke Toward the Future

The 1978 season was a long one for the underclassmen. it was due to lack of quantity, not quality. Swimming Frosh-Soph this year were sophomores Derek Gerber and Bob Miller; Freshmen Paul Jahn and Clayton Sedmock. The future should be bright for these dedicated swimmers.

Row 1: Chris Bohne, Mike Tobin, Stuart Melcer, Frank Super, Roger Hovey, Leo Aguirre. Row 2: Coach Torbert, Tim McGee, Paul Croft, Carlos Rodriguez, Brent Thompson, Tom Hodgman, Larry Hurd, John Corina, Coach Winkelmann. Row 3: Emil Ostermann, Robert Jones, Johnny Pierce, Brian Mendoza

The two things essential to having a good track team are quality and a quantity of athletes. Without these qualifications it is hard to have a good team. This was the problem this year. With a total of only 17 athletes, there weren't enough people to have quality people in each event.

Coaches Winkelmann and Torbert worked hard to bring out the best in each individual. Junior John Pierce (high-jump) and Bobby Jones (triple jump) were the leaders in the field events. Other outstanding performances were turned in by Emil Ostermann (long jump), Chris Bohne (pole vault) and Damon Drake (discus and shot put). Brent Thompson, senior mile and two miler, and Carlos Rodriguez 440 runner were the co-captains and first or second place finishers in every meet.

During the early part of this season the sophomores looked very tough winning the first four meets. Most of these people were up from last years strong freshmen team. Team leaders were Ed Maris and Tony Corina.

Their record was even more impressive because triple jumper Bobby Jones was moved up to varsity and Dave Short sat out the year with an injury. These athletes will benefit from their experience this year and try to help the varsity in years to come.

Freshmen Have Fine Year

This years frosh team had one thing going for them from the start, team spirit. After the first practice the coaches knew they had a winner, and they did. Led by sprinter Dan O'keefe and field eventers Jess Bates and Jim Muth they went on to do very well in league.

Left: Jim Muth strides to a winning finish.

Clan Surprise League, Critics

Front Row: Coach Michaels, Andy Reid, Glen Porter, Kelly McDaniels, Coach Wallis. Row Two: Rich Edmonds, Rick Turpit, Brent Hoffman, Scott Macis, Brian Kelly, Robert Jones. Row Three: Korby Wadkins, John Purcell, John Pierce, Jeff Golden.

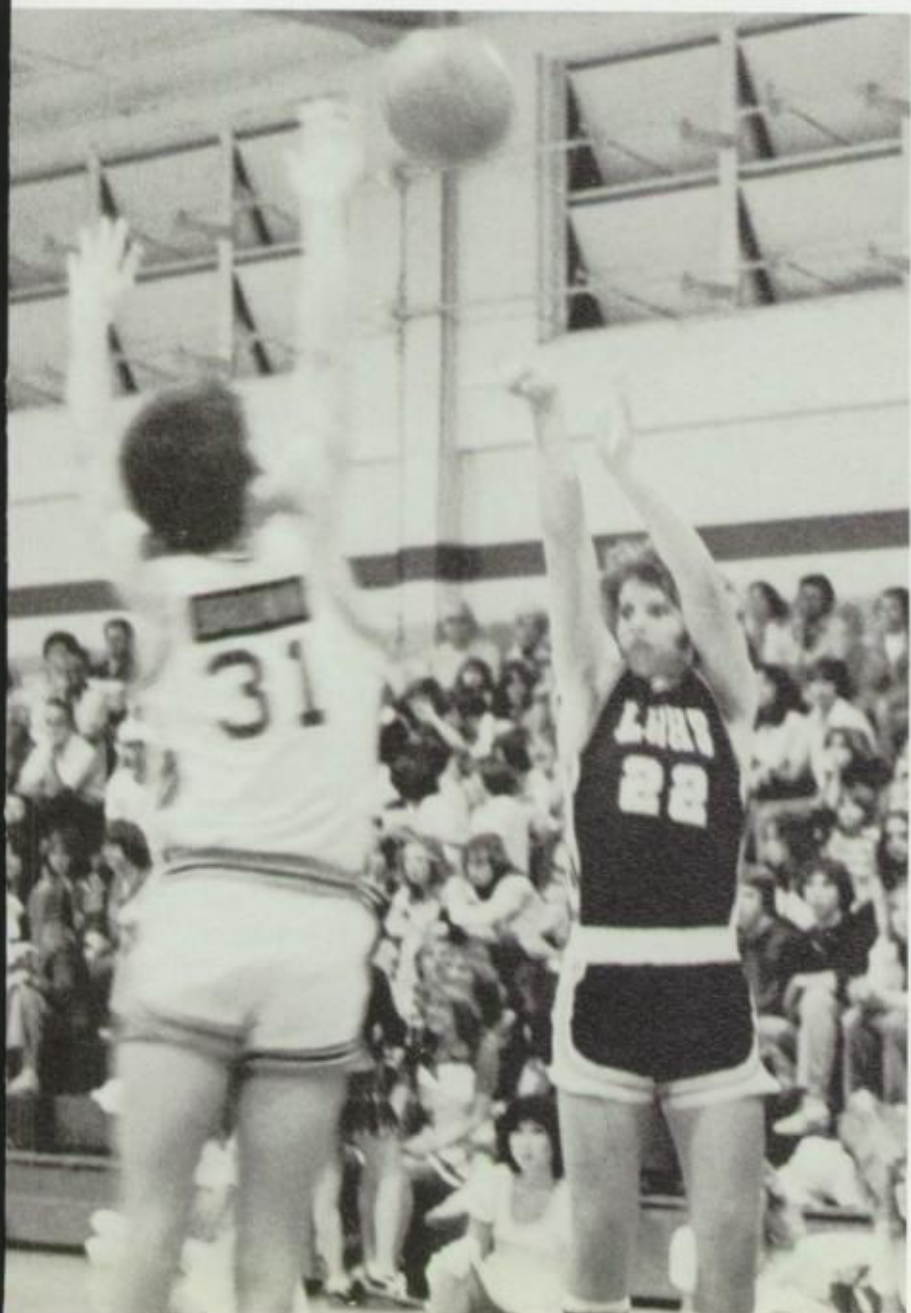

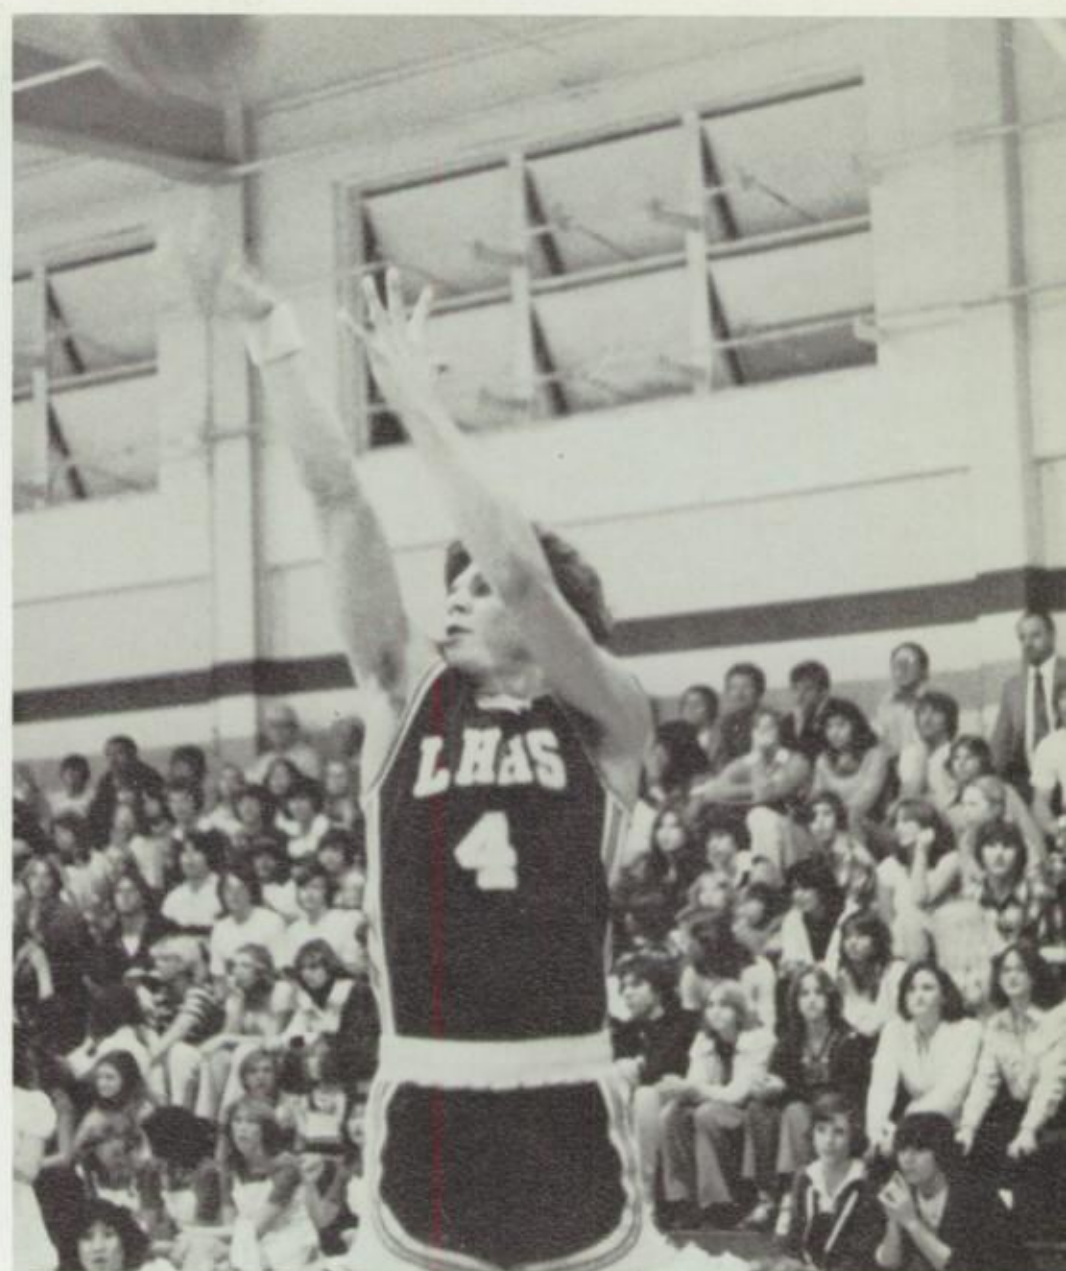

A teams record is usually indicative of how they played during the year, not so for the varsity this year. They were better than the record indicates (12-10 overall and 9-5 in league play), if you take into consideration that every team they lost to was in the CIF playoffs. The Varsity could have easily had a 12-2 record if not for such losses as the 1 point loss to Canyon and the two close losses to Valencia and Brea.

Coach Wallis built his team around the only returning starter from last year, Glen Porter. Porter, a co-Captain and All-Leaguer, held most of the ball handling duties, due to an early season injury to Korby Wadkins. Porter, as usual, led the team on assists and was the 2nd leading scorer. Brent Hoffman, the other Co-Captain, was the spark plug with his hustle and tenacious defense. He had a high game of 22 points, which also showed his ability to score. Junior John Pierce was the surprise of the Orange League. Coach Wallis was unsure of his ability, but by the end of the year there was no doubt in his mind that he was L.H.'s most lethal weapon. Pierce led L.H. in rebounding, points, field goals, percentages, and set a new school record for free throw percentage (80%). Pierce was voted All-League by all newspaper and coaches polls. The other "big man" was senior Andy Reid, Andy along with Hoffman led the team in steals with 55. Andy's determination and hustle in practice and games was contagious in that everyone would always strive for that extra 10%.

Brent, John, and Andy were the only ones to start all 24 games. Scott Macais and Korby Wadkins split up starting roles. Scott was a strong rebounder. When called upon he was deadly from the field, scoring 20 points against Canyon. Korby was tough on defense. He was the quarterback of the clans offense. He would bring up the ball, and feed into Pierce, or hit Porter or Hoffman for the jumpshot. Subs Brian Kelly, John Purcell, Kelly McDaniels, Rich Turpit, Jeff Golden, and Bobby Jones when called upon did an outstanding job for the clan.

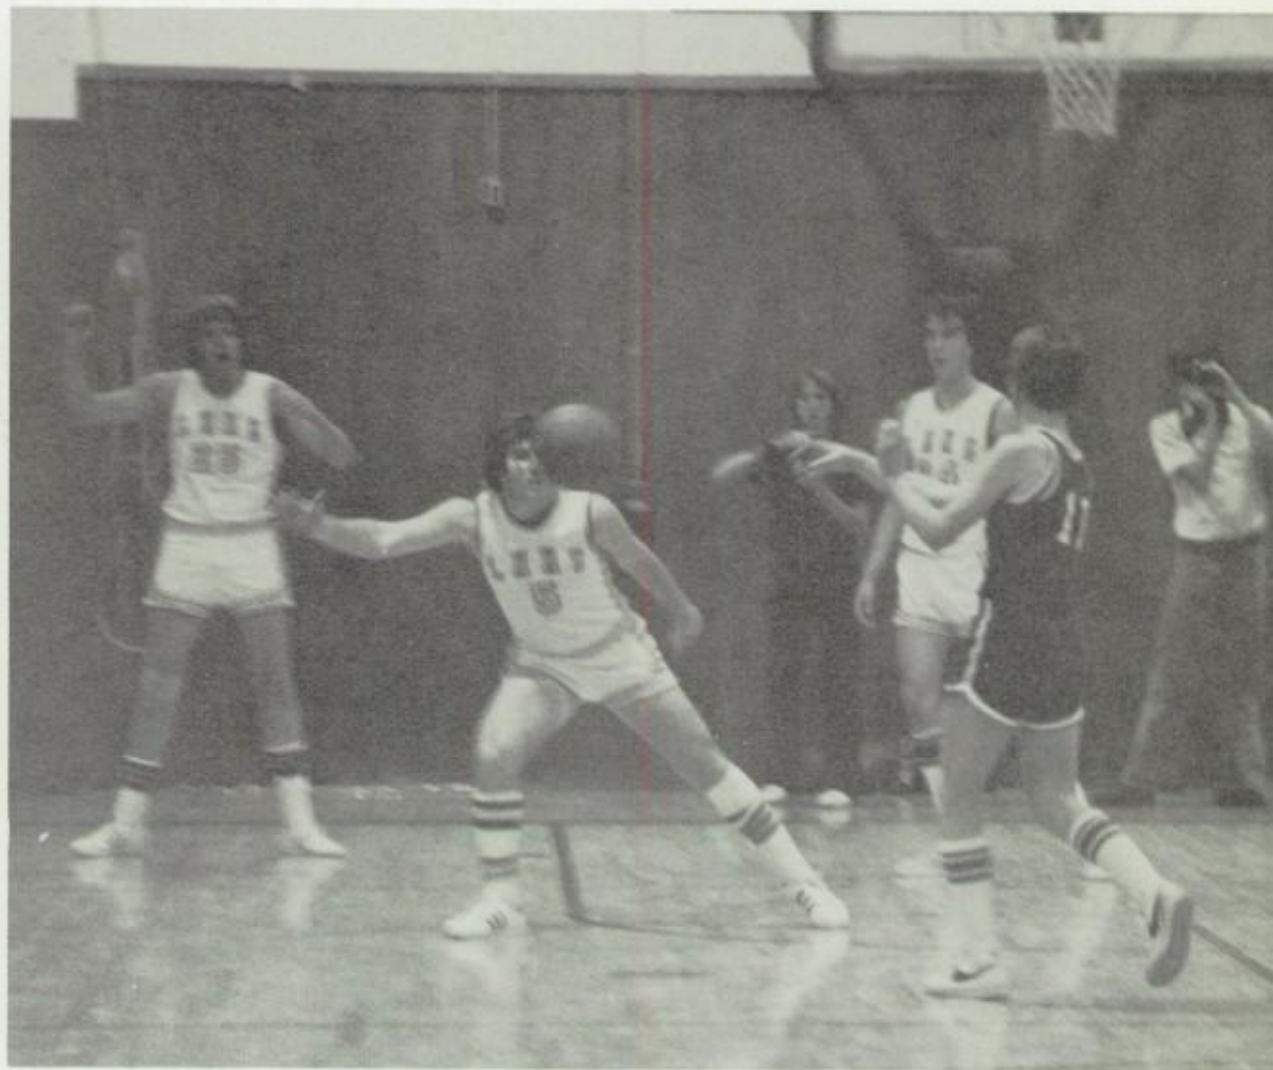

Congratulations seniors for hard work and dedication throughout the season. Good luck to the underclassmen for coming years and keep up the winning tradition of L.H. basketball.

J.V. League Champs

Front Row: Bob Sykes, Coach Michaels, Steve Scherman, Row Two: Dave Golden, Brian Schamber, Paul Prendiville, Brian Mendoza, Dave Muskrath, Mike McCarthy, and George Vilagut.

Coach Doug Michaels molded together strong J.V. team of sophomores and juniors and brought L.H.S. one of two championship teams, with a league record of 11-3. Midway through league, forward Bobby Jones was moved to varsity leaving a big hole to fill. The future looked dim but everyone picked up the slack and lost two games the rest of the year. Dave Golden was the team leader and ball handler. Ben Hankins and Paul Prendiville were the hot hands in the scoring department while Brian Mendoza cleaned the backboards. Steve McCarthy played good all-around ball.

Front row: Mike Flores, Jay Edmonds, David (Smitty) Smith, Juan Marquez, Ray Telles, Eddie Padilla, Row 2: Coach Kinder, Dave Carlson, Mark Tapscott, Chris Thomas, Blake Mower, Andy Rousch, Fred Ferrino, Kent Bandy, James Muenz

The sophomore team had a very impressive year. They started slow in preseason but at the end of the first round of play they had a 6-1 record. They then coasted to a 10-4 league record holding a firm lock on third place. The team, under new coach Greg Kinder, was led by the rebounding of Fred Ferrino, ball handling of David Smith, and all around play of Kent Bandy. This group of individuals complimented each other very well, and will try to keep up the tradition of excellence on the LHHHS basketball program in future years.

Frosh Finish 18-0!!

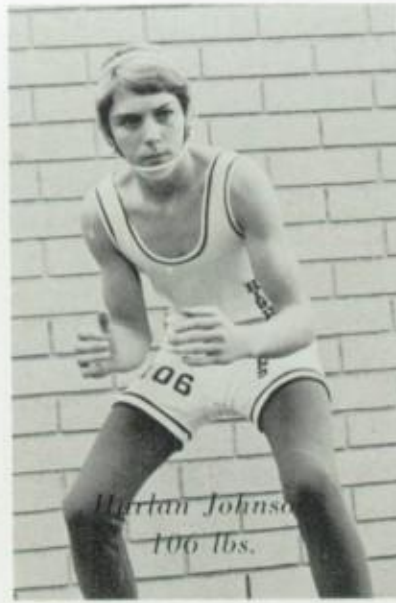

Front Row: Coach DeGeorge Row 2: John Blake, Steve Chacon, Todd Thompson, Bill Delarosa, Mike Quintana, Javier Esparza, Mark Kirk, Bob Davis, Berle Hunter, Eddie Matamoros, Paul Palmer

This years Freshmen team did something that no other LHHS basketball team has done. They went undefeated in league (14-0) and throughout the year (18-0). One of the most remarkable feats they accomplished this year was that they won their games by an average of 15 points. They also extended the freshmen winning streak to 34 games. All this was done under first year coach Mike DeGeorge. Although it was a total team effort, Mark Kirk and Javier Esparza were named MVP'S. That makes two champions in two years of Orange League competition achieved at the freshmen level.

The 1977-78 wrestling season was definitely the best effort put out so far by a La Habra wrestling squad. An unprecedented seven Clan wrestlers qualified for the C.I.F. Prelims.

Orange League Champions Mike Findling and Curt Glandorf led the Highlanders to a final record of 8-3, including a second place finish in the Orange League and a second in the Canyon Invitational.

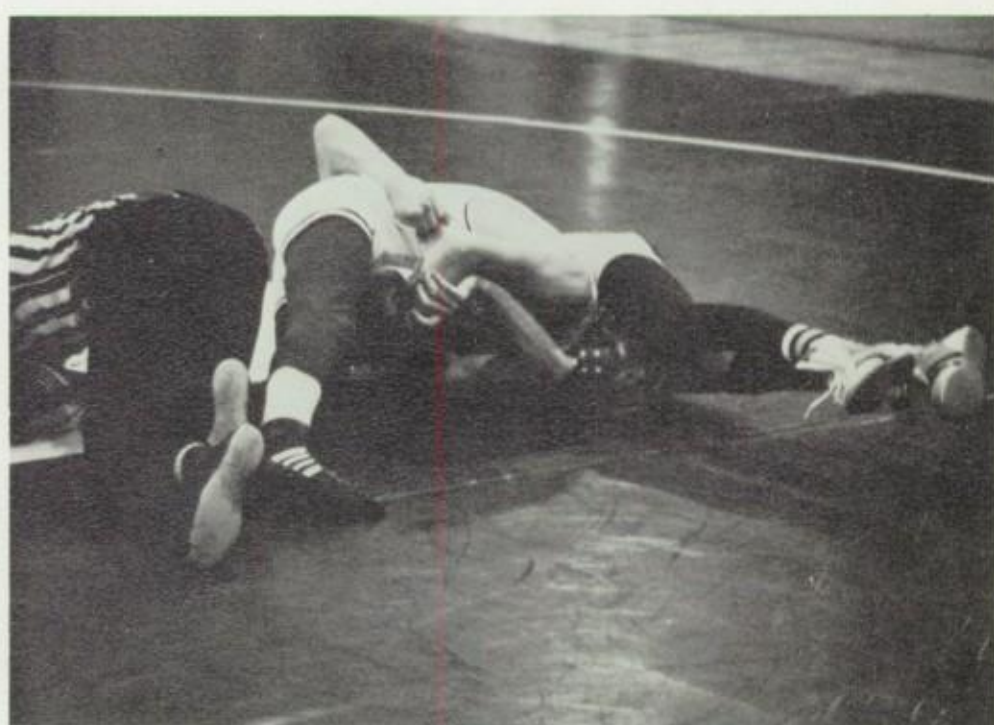

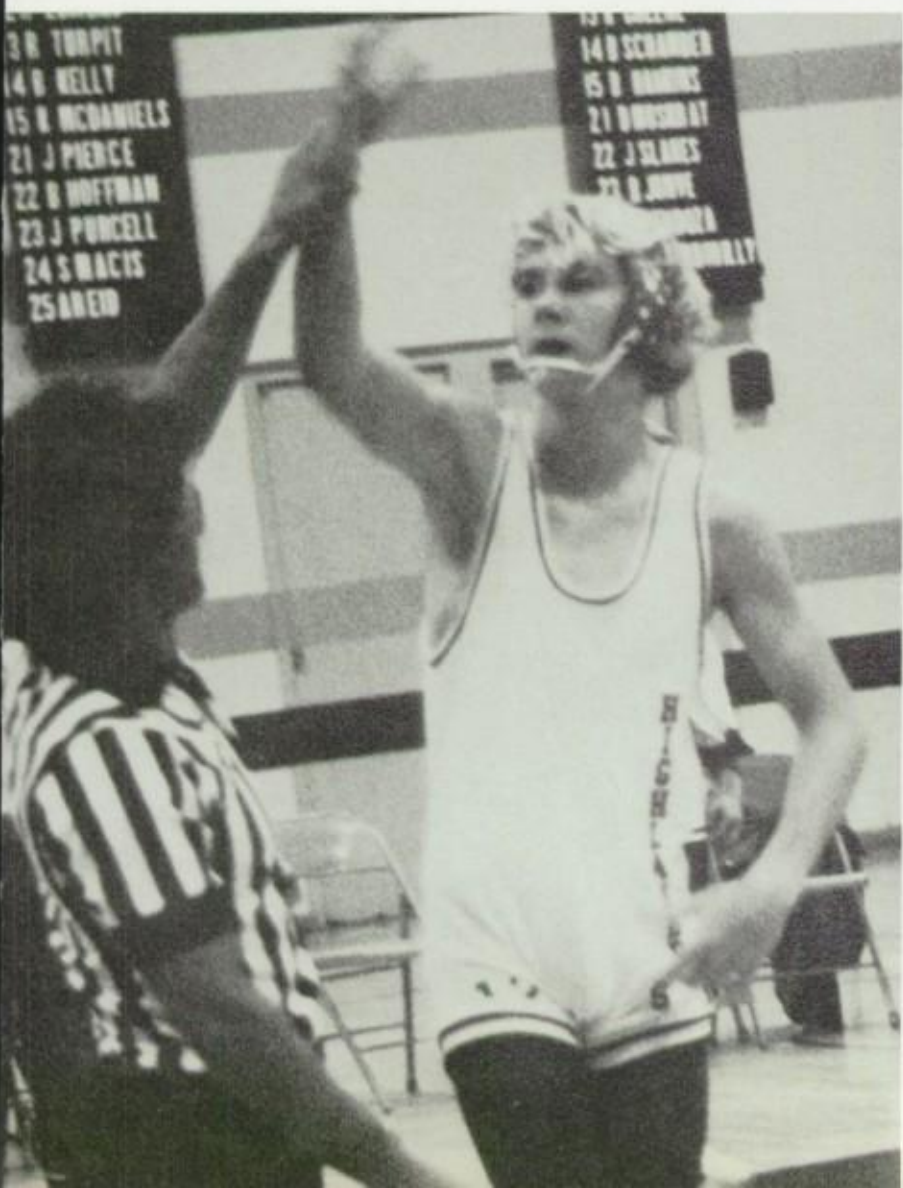

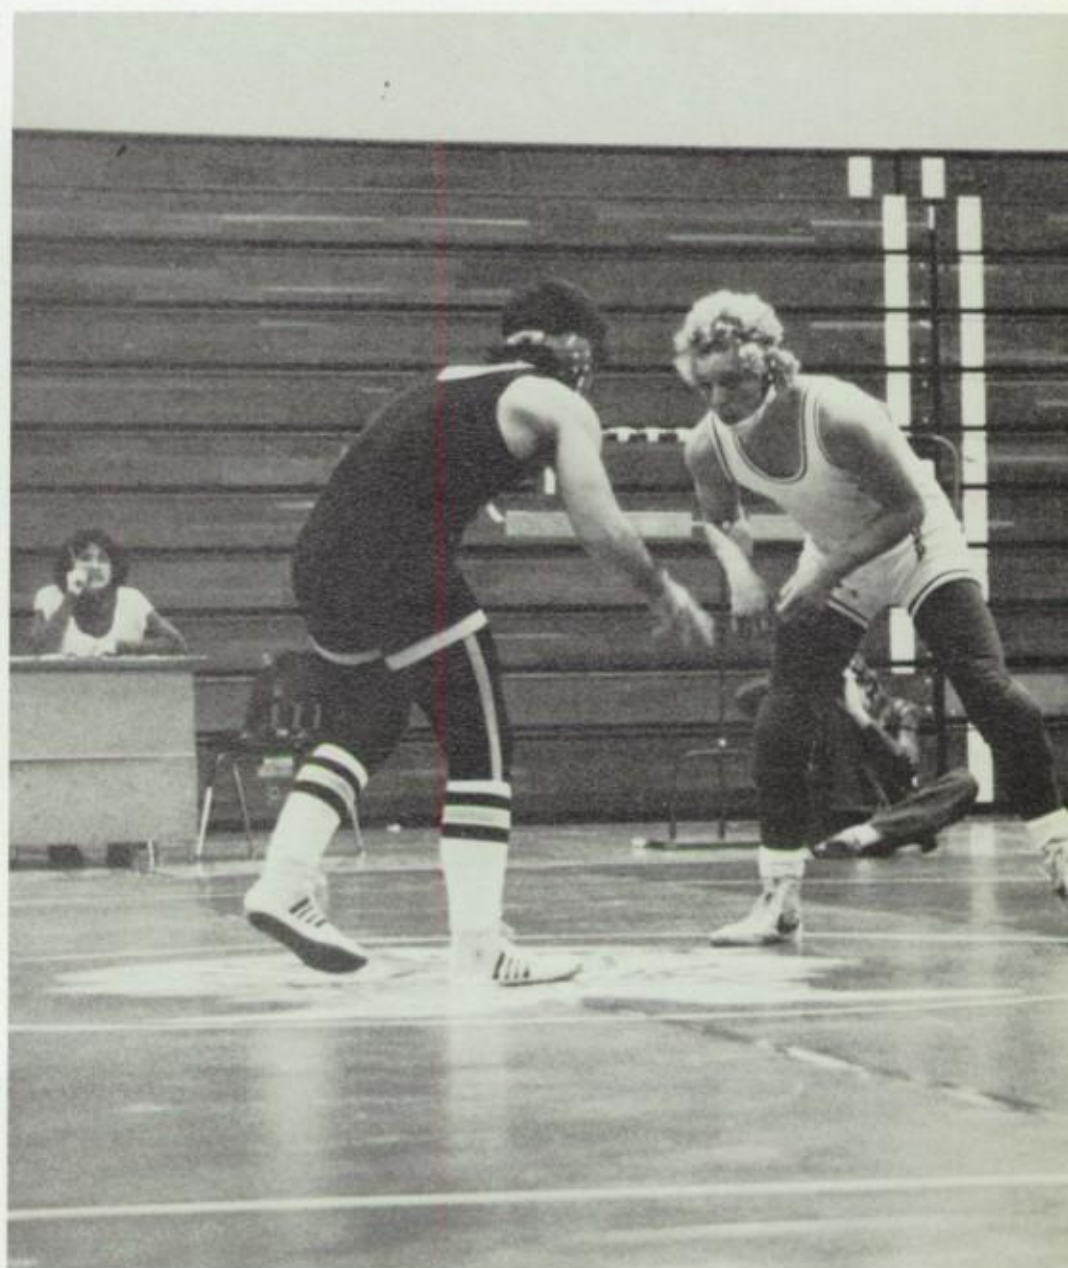

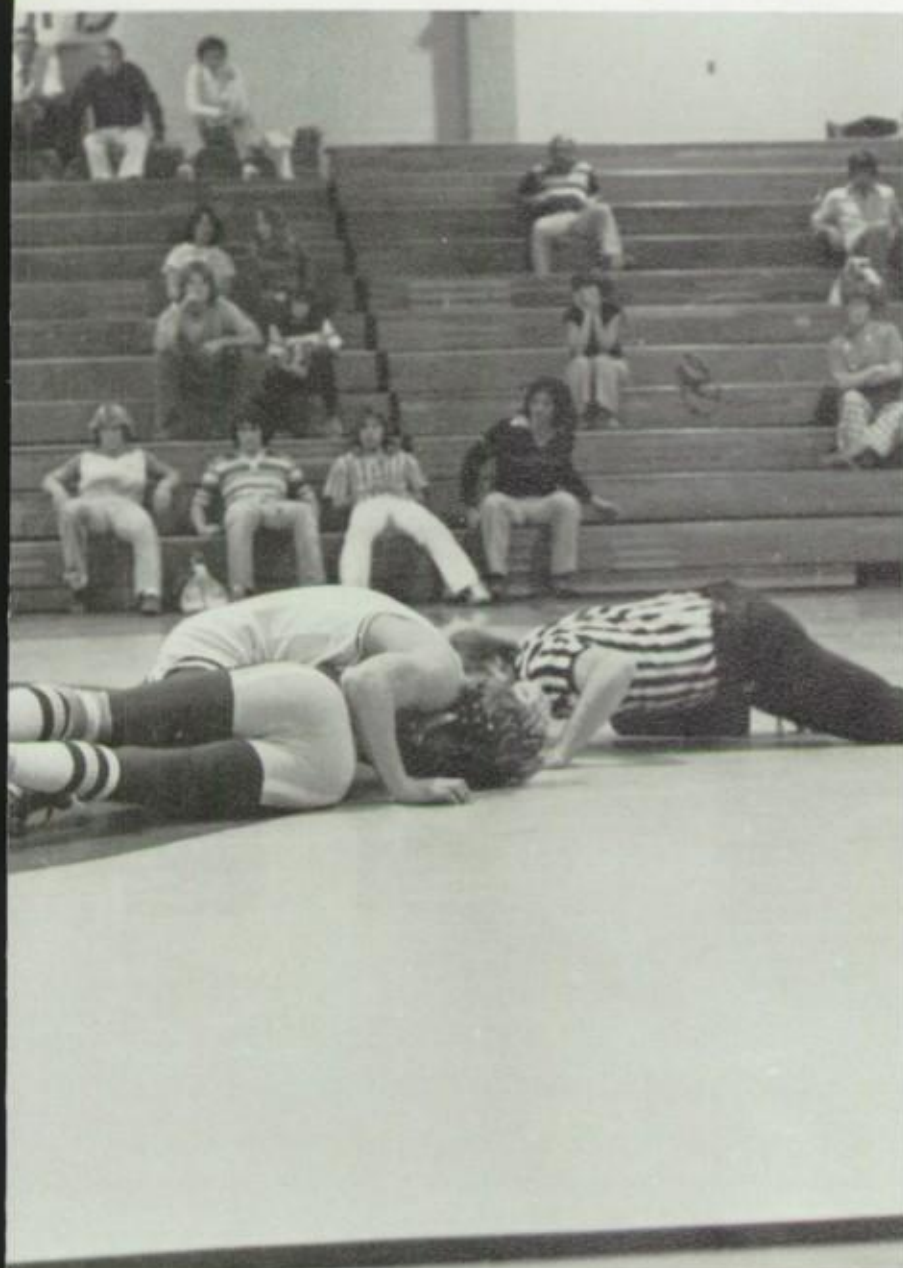

Second place finishers in the League were Dean Hoppe, Kent Santillan, and Tom Magdaleno. Leo Aguirre and Dave Wilson took third places.

Head Coach Harry Dolen, in his first year as wrestling coach, did a fine job preparing his group for a successful season. He also shaved off his moustache as a payoff to a promise he made his team at the beginning of the year.

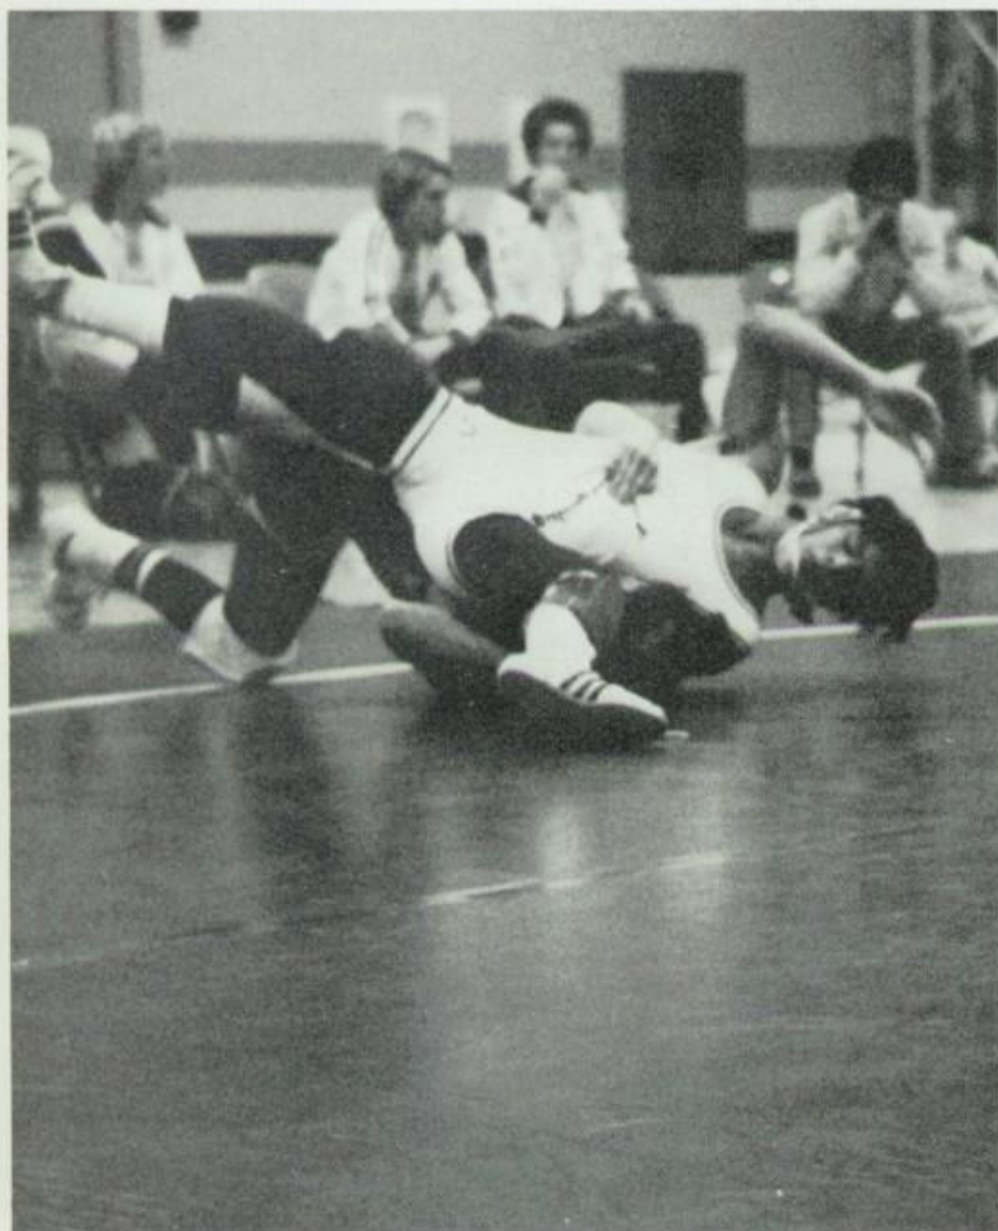

Controversy seemed to cling to the Clan all season long. There was another skirmish with Brea, a faulty weigh-in causing a forfeit to Sonora, along with some extra curricular activities during team meals.

All in all, it was a profitable season for the mighty Highlanders, and most certainly the best wrestling team ever in the history of La Habra High.

The J.V. Wrestling team did a fine performance this year with a 7-4 season. Coach Dolen did a fine job coaching. The outstanding members included Chris Bohne, John Kirylo (Fastest pin-19 seconds), John Aguilar, Gary Payton, and John Corina. With their fine work this year, La Habra looks forward to a great team next year for most team members will be returning.

Two Tankers Gain League Honors

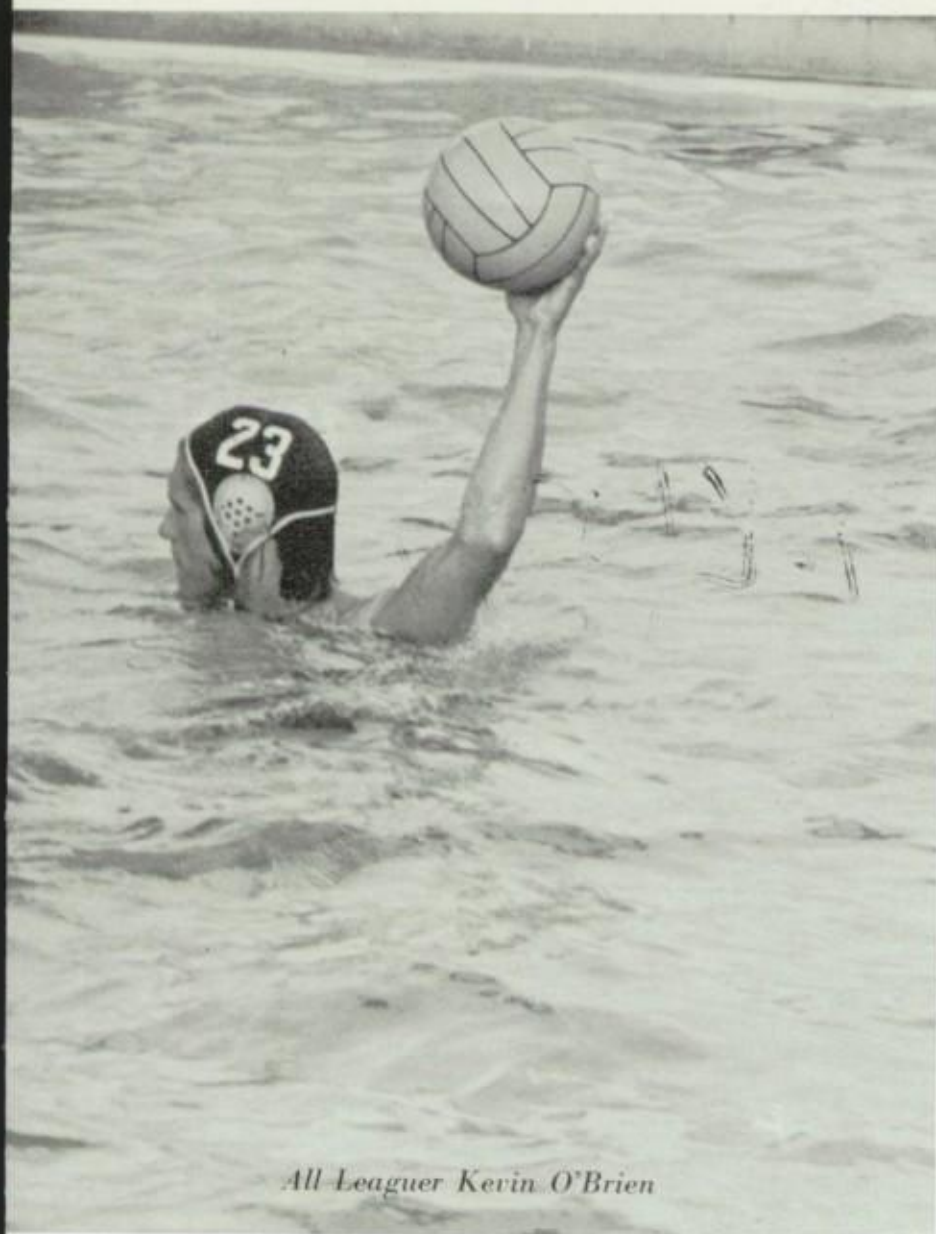

This year's Varsity Water Polo team had a disappointing season. They posted a 1-6 league record and a 3-17 overall record. Although it may have been a disappointing season, there were a few bright spots. They had All-League performances by Seniors Kevin O'Brien and Mike Lally. At the awards banquet, individual awards went to three seniors. Kevin O'Brien and Mike Lally were chosen Most Valuable Offensive Players. Eric Herman was chosen as the Most Valuable Defensive Player. Although this was Coach Swanson's first losing season, he commented that with a few lucky breaks, the Highlanders could have won more of their ball games. Coach Swanson also stated that he is looking forward to next year, which could prove to be an outstanding season.

Row 1: Mike Glandorf, Brock McClure, Dan Paxton, Brent Cross, Charisse Hoffman Row 2: Jim Bernd, Charles Robertson, John Blake, Clayton Sedmock Row 3: Greg Arce, Paul Jahn, Stuart Gerendas, Derek Gerber

This year's Frosh-Soph. Water Polo Team ended the season with a 2-12 overall record. Brock McClure led the team of 14 boys and 1 girl, Charisse Hoffman. With only four players returning to next year's varsity, Coach Swanson will have to look to this Frosh/Soph team to fill the vacant spots. Although the team did not have a great win-loss record, they did gain valuable playing experience.

Football 1977

Mishaps Plague Defending

The 1977 season was one that was filled with "almosts". In most of the games, one or two plays could have made the difference between victory and defeat.

It was also a season that saw much more passing than in years before. Roger Hovey had 990 yards passing on the season, including 280 yards against Brea-Olinda.

Carlos Rodriguez received 12 passes for 247 yards against El Dorado to set a new C.I.F. record. His season total (704 yards) was second only to Hovey, who had 1036 yards total offense.

Mark Hertzler carried 26 times for 125 yards against Canyon, that being another single game record for the Highlanders. He gained 375 yards on 99 carries to lead the Clan in rushing for the season.

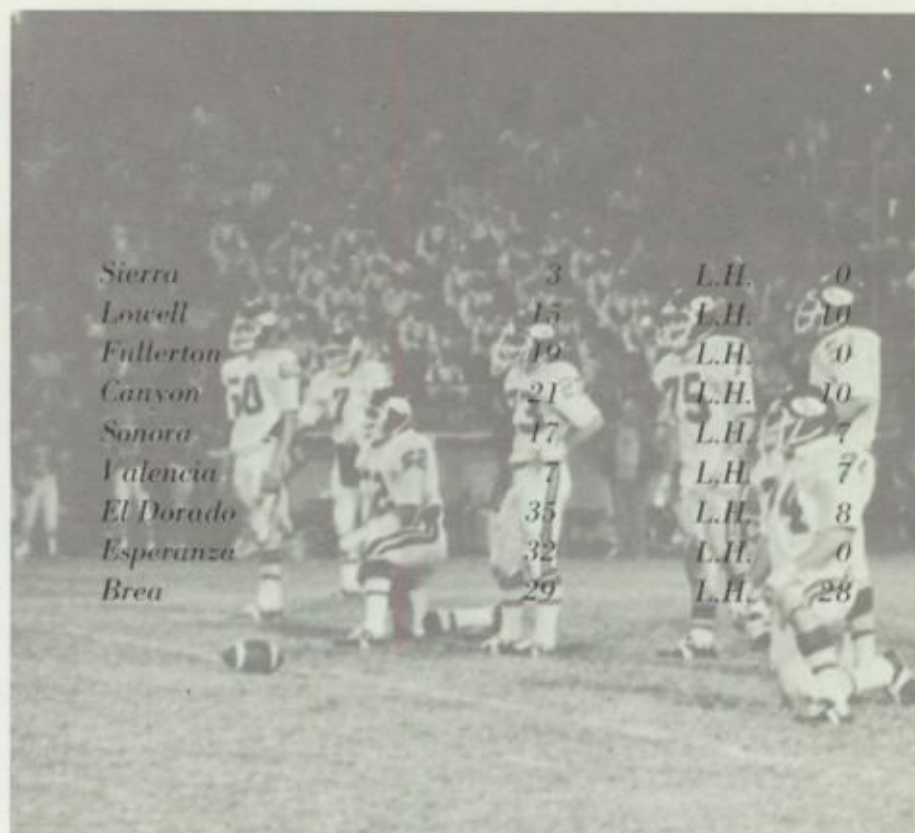

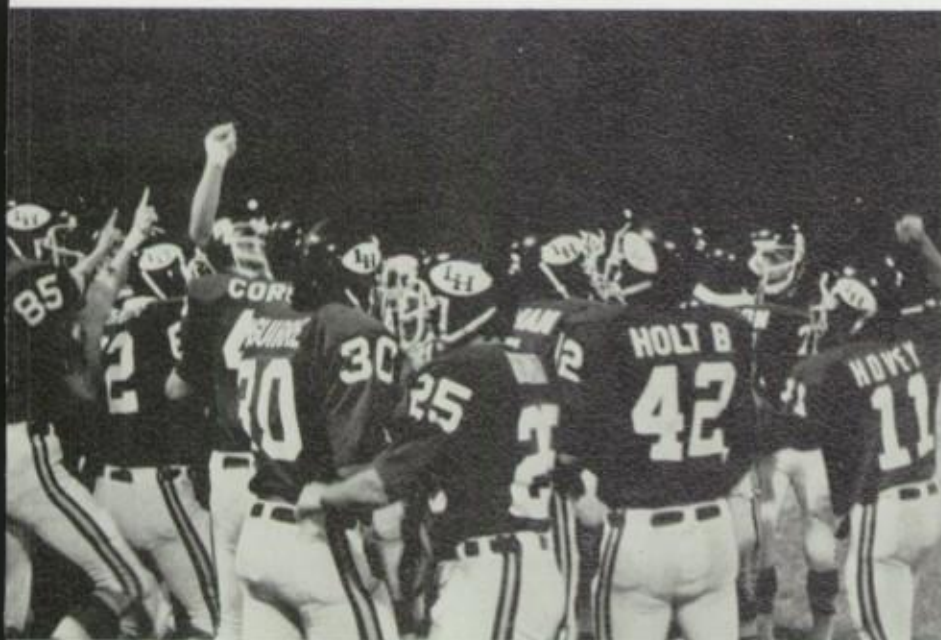

Another highlight of the season was John Foreman's 75 yard touchdown reception against Brea. Foreman had 502 total yards for the year, finishing third among Highlander offensive players.

All in all, the 1977 season was not what might have been expected, however, there were many bright spots among the underclassmen that gained Varsity experience. It will be these bright spots that turn into brilliant performances in the coming years, and propel the La Habra Highlanders into supremacy once again.

Sophomores Keep up Hard Hitting Tradition

This year's team had a 2-6-1 overall record. They started out very strong compiling 2-0-1 record after the first three games but then lost six in a row. Two reasons for this big turn around was injuries to key players and the promotion of three starters to varsity. By the end of the season, they had a total of seven sophomores on varsity. The sophomores were led by lineman of the year Andy Rouch and back of the year Jim Palmer. Other players who had good seasons were; linemen Dennis Suttle and Mark Tapscott, while Gary Payton and Frank Super led the running attack. Dave Williams led a very solid passing game.

Frosh Finish with

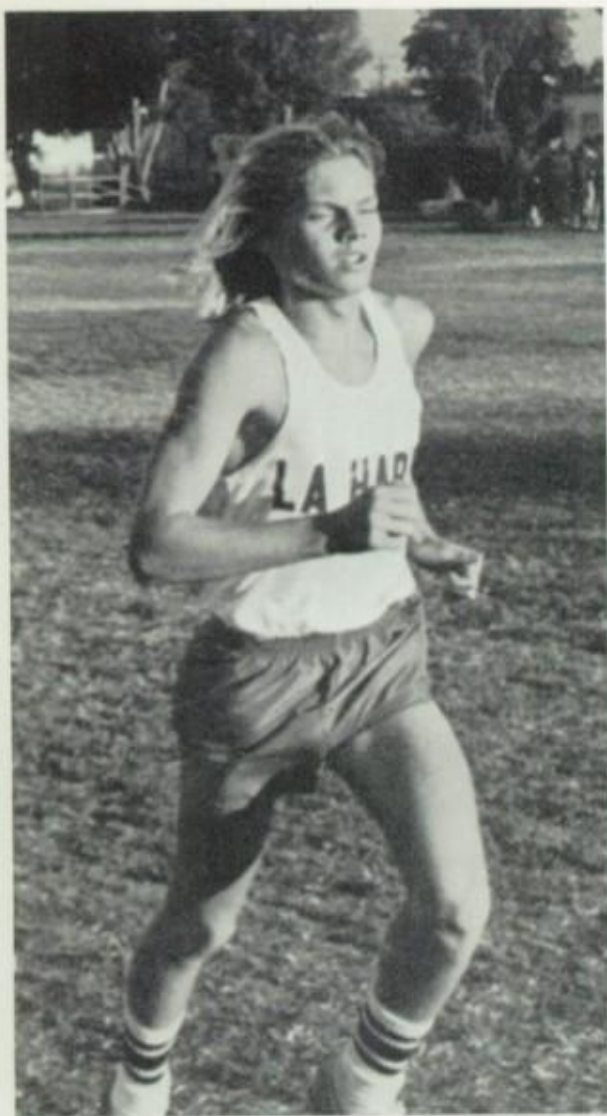

Great teamwork and a strong defense led to a fine 5-3-1 season record for the frosh. Highlighting the season was a total of 4 shutouts. There were fine performances from a host of players such as Steve Chacon, who was the captain on offense and defense playing QB and LB. Billy DeLa Rosa was responsible for supplying the muscle on the team. Hardly a game went by without runners Kevin Long or Jim Muth breaking through opponents defense for a big gainer. Coach Quezada complimented this year's team by not naming individuals but saying that it was the whole team that led to this year's successful season.

Cross Country Has Good Showing

1977 proved to be an exciting year for the improved Varsity Cross Country team. The team had a 5-4 overall record and a 3-4 league record for a fourth place finish. This was in tough Orange, out of which came 3A CIF's first and fourth place teams. The Highlander team was lead by Senior Captain Brent Thompson, closely followed by Juniors Mike Tobin and Paul Croft. Senior Mike Rubino and Sophomores Kent Santillan, Warren Gates and Edd Maris then provided a strong foundation for the team.

1978 should be a thrilling year for the Clan runners, who although they will lose Thompson and Rubino to graduation, will be on the whole more experienced. They should also have Sophomore Dave Short and, Junior Tim Crandell, who were out with injuries this season.

La Habra's Future in Good Hands

The La Habra Junior Varsity Cross Country team had a hard year because although five are needed for a team the Highlanders were only able to field three. The injured Tim Crandell, along with fellow Junior Larry Hurd and Senior David Fiddler made up the team, and even though winless had a good time.

Clan Runners Have "Sole"

Front Row: Robert Rybkowski, Eric Freedman, Jon Haber. Back Row: Alan Fueng, Paul Garay, Darrell Pequignot, Todd Thompson

This year's Sophomore team had a rather dismal season, not because of lack of ability, but because of a shortage of runners. With three Sophomores on the Varsity team, only three runners, Tom Bastian, John Garcia, and Lewis Low, remained for the Sophomore team. Together they compiled a 1-8 record. The three performed well on an individual basis, however, that's what really counts.

The Freshman team, as usual for La Habra Cross Country, had a good season, compiling a 4-3 league record and a 6-3 overall. Led by Alan Fueng and Darrell Pequignot, followed closely by Todd Thompson and Paul Garay, the team had a strong finish, improving a great deal through the season. Much is expected of this team, and with some work, it will be delivered.

The Physical Education teachers do many things for our school. Besides teaching every day, they coach for 2-3 hours after school. If not for these teachers, the word "sports" would be a myth. Many thanks are extended to our fine P.E. department and good luck in the future.

Get more oil from existing wells

Restoring or improving production in existing wells is the least expensive way of improving your profit picture.

Determining if a well is capable of higher production is "old hat" to Depthograph. We've been doing it accurately and inexpensively for over 40 years.

A Depthograph sonic fluid-level measurement will tell you if your pump is out of order, starved or flooded out. If the well is to be pulled, Depthograph information is invaluable as it has already determined the cause of loss of production—under operating conditions. The Depthograph well survey will eliminate guess work, save time and money.

Precise fluid level measurements are made by experienced operators of Depthograph's proven instruments and recorder.

COULD YOU USE \$8100 TO FURTHER YOUR EDUCATION?

With tuition costs at colleges and vocational/technical schools at an all-time high, many high school graduates are finding themselves able to meet admission standards, but unable to afford the tuition.

The Navy wants all qualified candidates to achieve the goal of higher education. And we can help, through a dramatic new program called the Veterans Educational Assistance Plan.

Under this plan, Navy men and women can save from \$50 to \$75 each month, and their savings will be matched 2 for 1! If you save \$2700 over a three year period, the Government will match this with \$5400—for a combined saving of \$8100!

Get all the facts. Just call your nearest Navy recruiter. He can tell you how to get ahead in the Navy. And how easy it is to save \$8100. Call or write:

Staff

This year's book has been a personally gratifying experience, because I was able to design and execute the cover and division pages. It was the intent of the editors to portray life through the use of the seagull. I hope the stained glass windows elucidated the theme for everyone.

We have been fortunate these past years to have a professional photographer who has been a tremendous help in every way—Ernie Hartman of Albert & James Studio. We will miss Ernie in the future and thank him for his dedication to our yearbook and school. I also want to extend our gratitude to Albert & James for their help in producing this issue of the Hieland.

I'm sure you will agree that this is one of La Habra's best yearbooks, due to the diligent efforts of our editor Marie Eller, and co-editor Natalie Sorrell and staff. Through the dedication of the yearbook staff and the help of our advertisers we are able to give you the largest book ever published by La Habra High School.

With this in mind, please support our advertisers!

The staff and I wish the graduating class of 1978 much success.

W. Keith Pendell

A yearbook's staff has the task of compiling a summation of the various aspects of the school year. My friend and co-editor Natalie Sorrell and I chose to use the seagull as a symbol to unify and diverse elements of a student's life.

"Before us unfolds the wonders of the world..." as well as its trumois. As the seagull soars to higher realms, we also have tried to soar by the depiction of the seagull in stained glass. It is our hope that our intent meets with your approval.

Our heartfelt thanks go to Mr. Pendell for spending many long hours in designing and cutting the glass for the windows.

Photography is a major part of a yearbook. Albert & James Studios provided La Habra High with many gifted photographers. A very special one to us was Ernie Hartman. The future staffs will miss someone special.

It is hard to express my feelings to my staff. They worked long and hard to complete the task of putting forth the best yearbook ever. There will never be another year like 1978.

Frosh-Soph Stroke Toward the Future

The 1978 season was a long one for the underclassmen. it was due to lack of quantity, not quality. Swimming Frosh-Soph this year were sophomores Derek Gerber and Bob Miller; Freshmen Paul Jahn and Clayton Sedmock. The future should be bright for these dedicated swimmers.

Row 1: Chris Bohne, Mike Tobin, Stuart Melcer, Frank Super, Roger Hovey, Leo Aguirre. Row 2: Coach Torbert, Tim McGee, Paul Croft, Carlos Rodriguez, Brent Thompson, Tom Hodgman, Larry Hurd, John Corina, Coach Winkelmann. Row 3: Emil Ostermann, Robert Jones, Johnny Pierce, Brian Mendoza

The two things essential to having a good track team are quality and a quantity of athletes. Without these qualifications it is hard to have a good team. This was the problem this year. With a total of only 17 athletes, there weren't enough people to have quality people in each event.

Coaches Winkelmann and Torbert worked hard to bring out the best in each individual. Junior John Pierce (high-jump) and Bobby Jones (triple jump) were the leaders in the field events. Other outstanding performances were turned in by Emil Ostermann (long jump), Chris Bohne (pole vault) and Damon Drake (discus and shot put). Brent Thompson, senior mile and two miler, and Carlos Rodriguez 440 runner were the co-captains and first or second place finishers in every meet.

During the early part of this season the sophomores looked very tough winning the first four meets. Most of these people were up from last years strong freshmen team. Team leaders were Ed Maris and Tony Corina.

Their record was even more impressive because triple jumper Bobby Jones was moved up to varsity and Dave Short sat out the year with an injury. These athletes will benefit from their experience this year and try to help the varsity in years to come.

Freshmen Have Fine Year

This years frosh team had one thing going for them from the start, team spirit. After the first practice the coaches knew they had a winner, and they did. Led by sprinter Dan O'keefe and field eventers Jess Bates and Jim Muth they went on to do very well in league.

Left: Jim Muth strides to a winning finish.

Clan Surprise League, Critics

Front Row: Coach Michaels, Andy Reid, Glen Porter, Kelly McDaniels, Coach Wallis. Row Two: Rich Edmonds, Rick Turpit, Brent Hoffman, Scott Macis, Brian Kelly, Robert Jones. Row Three: Korby Wadkins, John Purcell, John Pierce, Jeff Golden.

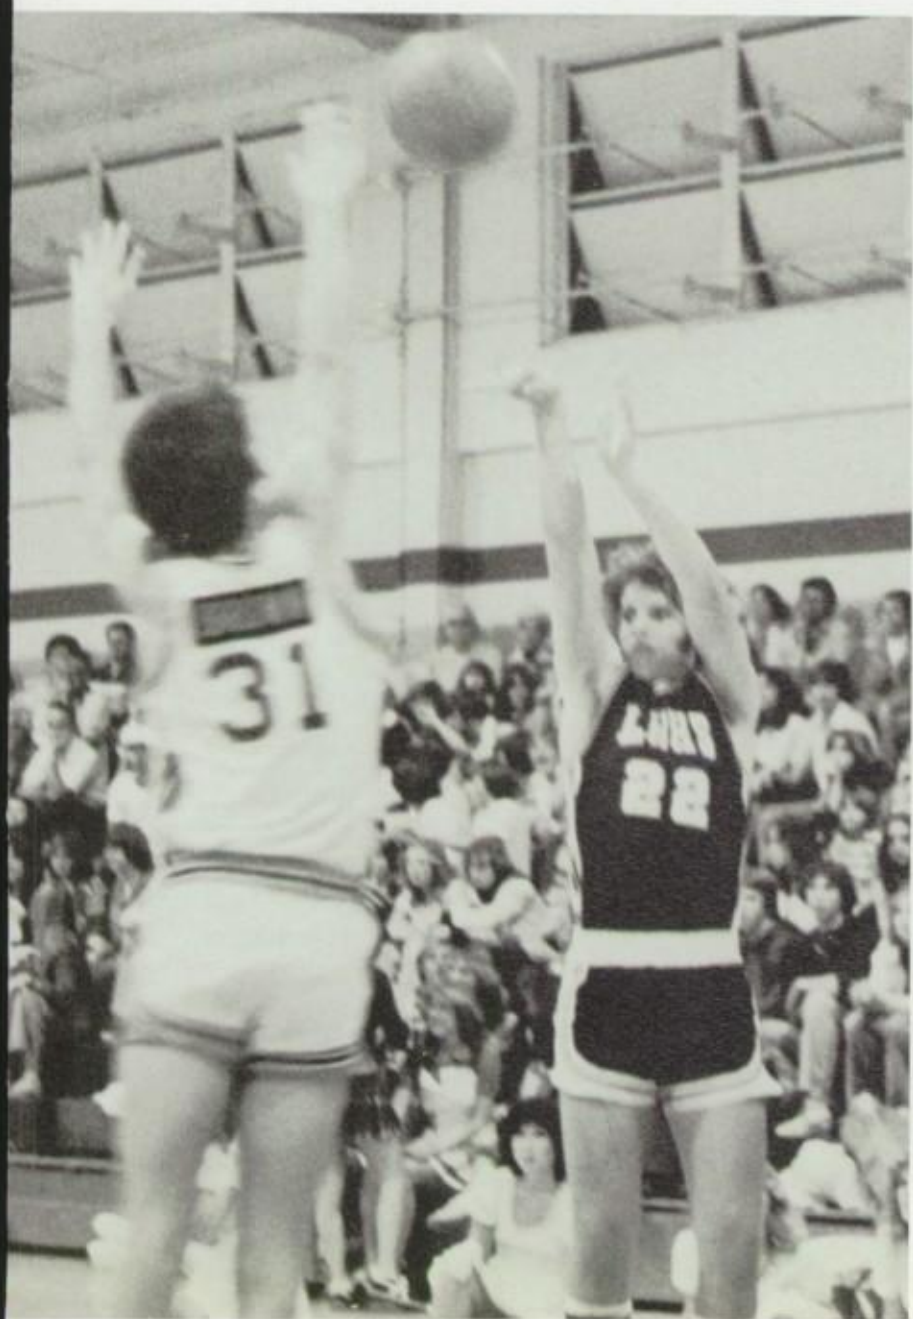

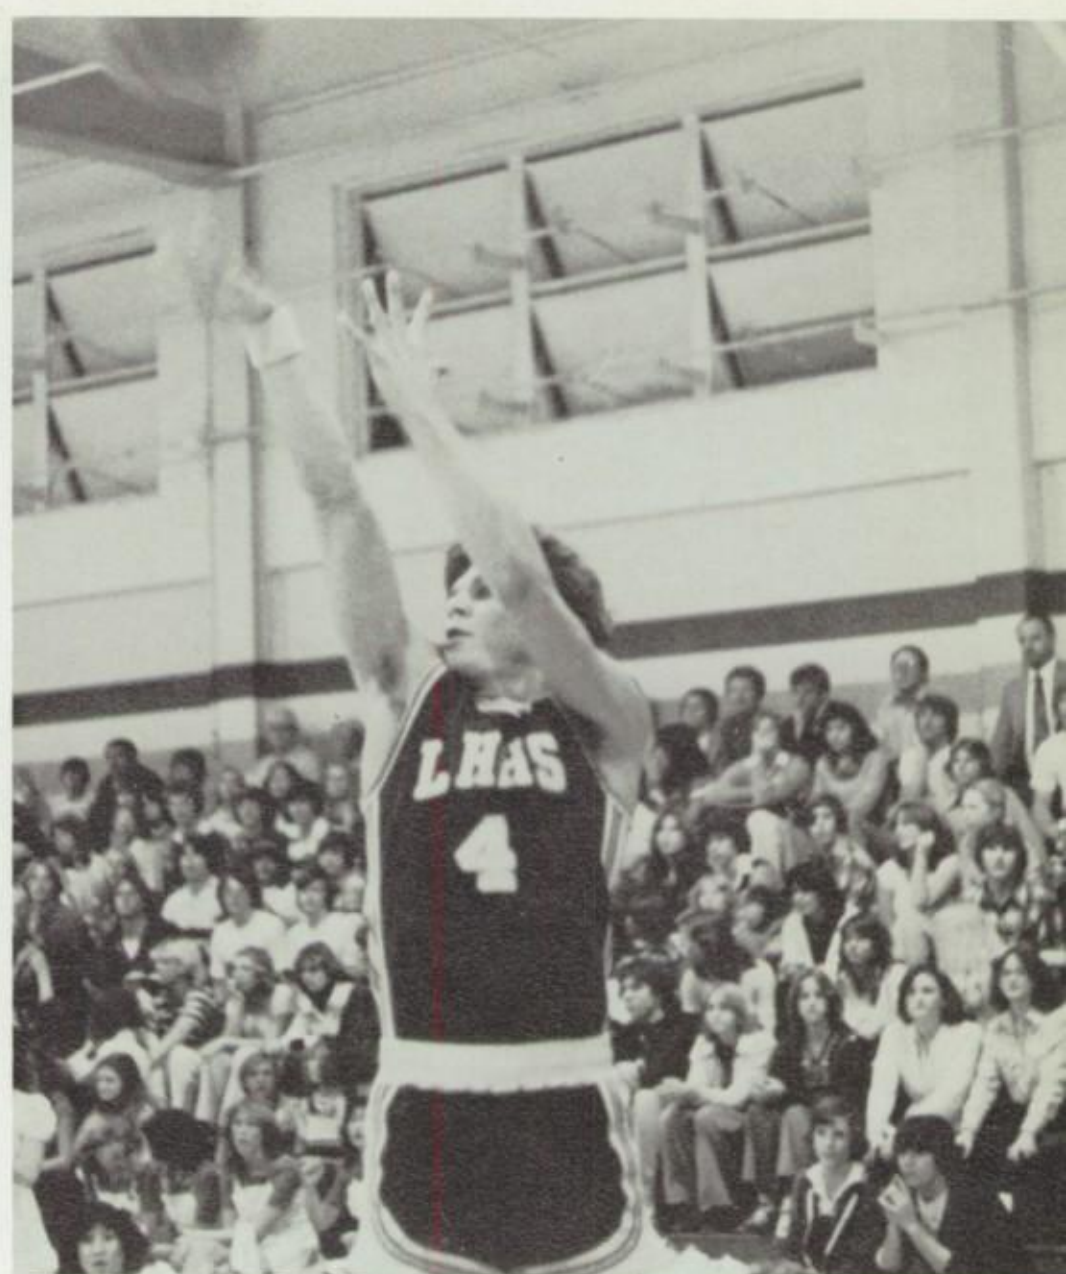

A teams record is usually indicative of how they played during the year, not so for the varsity this year. They were better than the record indicates (12-10 overall and 9-5 in league play), if you take into consideration that every team they lost to was in the CIF playoffs. The Varsity could have easily had a 12-2 record if not for such losses as the 1 point loss to Canyon and the two close losses to Valencia and Brea.

Coach Wallis built his team around the only returning starter from last year, Glen Porter. Porter, a co-Captain and All-Leaguer, held most of the ball handling duties, due to an early season injury to Korby Wadkins. Porter, as usual, led the team on assists and was the 2nd leading scorer. Brent Hoffman, the other Co-Captain, was the spark plug with his hustle and tenacious defense. He had a high game of 22 points, which also showed his ability to score. Junior John Pierce was the surprise of the Orange League. Coach Wallis was unsure of his ability, but by the end of the year there was no doubt in his mind that he was L.H.'s most lethal weapon. Pierce led L.H. in rebounding, points, field goals, percentages, and set a new school record for free throw percentage (80%). Pierce was voted All-League by all newspaper and coaches polls. The other "big man" was senior Andy Reid, Andy along with Hoffman led the team in steals with 55. Andy's determination and hustle in practice and games was contagious in that everyone would always strive for that extra 10%.

Brent, John, and Andy were the only ones to start all 24 games. Scott Macais and Korby Wadkins split up starting roles. Scott was a strong rebounder. When called upon he was deadly from the field, scoring 20 points against Canyon. Korby was tough on defense. He was the quarterback of the clans offense. He would bring up the ball, and feed into Pierce, or hit Porter or Hoffman for the jumpshot. Subs Brian Kelly, John Purcell, Kelly McDaniels, Rich Turpit, Jeff Golden, and Bobby Jones when called upon did an outstanding job for the clan.

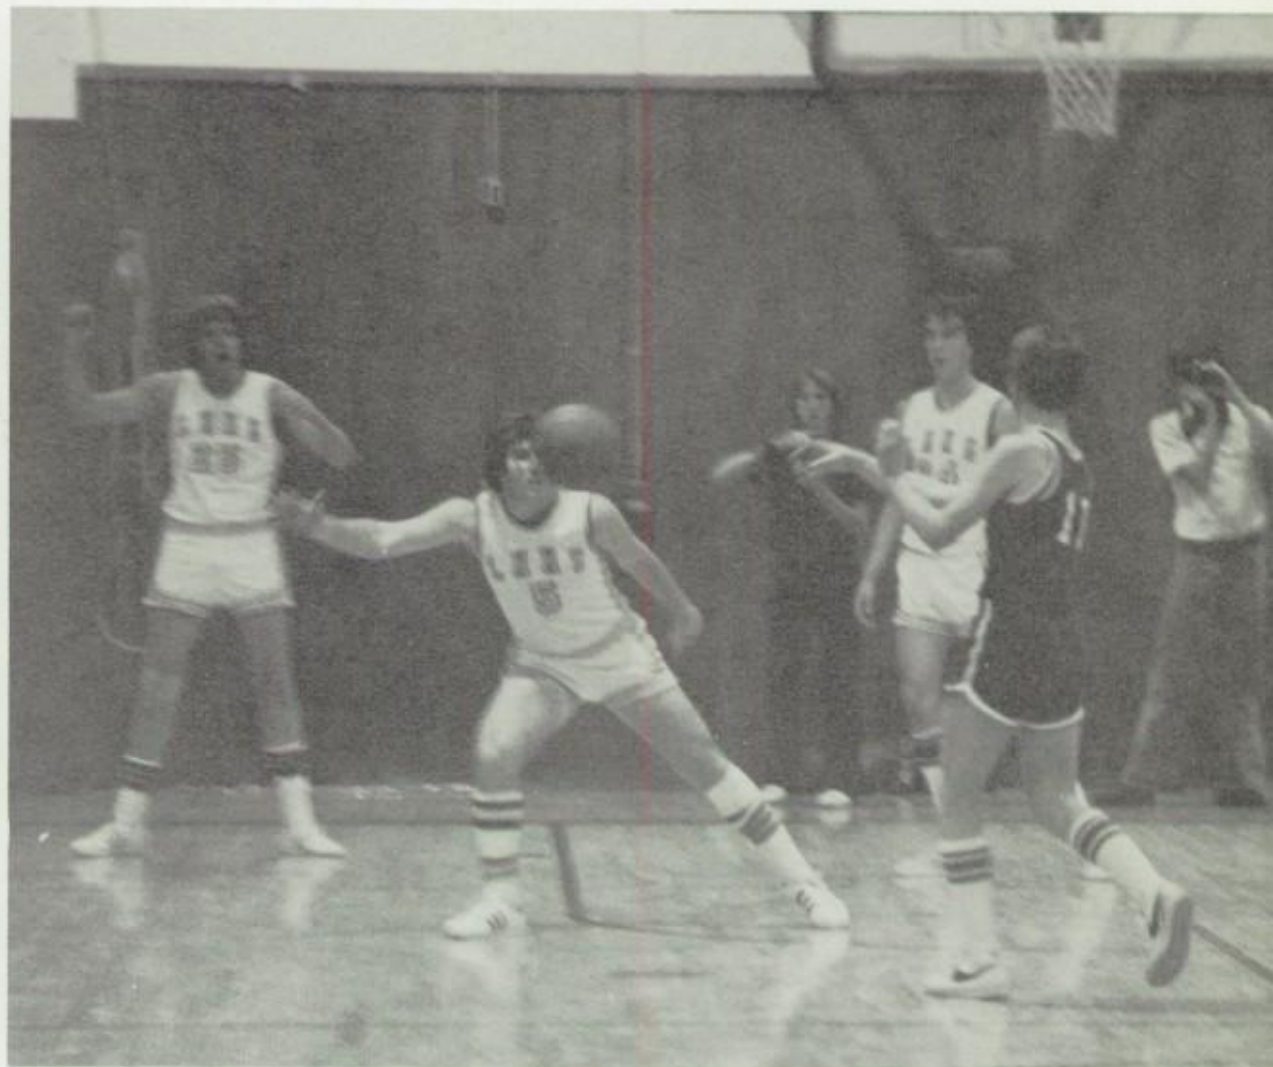

Congratulations seniors for hard work and dedication throughout the season. Good luck to the underclassmen for coming years and keep up the winning tradition of L.H. basketball.

J.V. League Champs

Front Row: Bob Sykes, Coach Michaels, Steve Scherman, Row Two: Dave Golden, Brian Schamber, Paul Prendiville, Brian Mendoza, Dave Muskrath, Mike McCarthy, and George Vilagut.

Coach Doug Michaels molded together strong J.V. team of sophomores and juniors and brought L.H.H.S. one of two championship teams, with a league record of 11-3. Midway through league, forward Bobby Jones was moved to varsity leaving a big hole to fill. The future looked dim but everyone picked up the slack and lost two games the rest of the year. Dave Golden was the team leader and ball handler. Ben Hankins and Paul Prendiville were the hot hands in the scoring department while Brian Mendoza cleaned the backboards. Steve McCarthy played good all-around ball.

Front row: Mike Flores, Jay Edmonds, David (Smitty) Smith, Juan Marquez, Ray Telles, Eddie Padilla, Row 2: Coach Kinder, Dave Carlson, Mark Tapscott, Chris Thomas, Blake Mower, Andy Rousch, Fred Ferrino, Kent Bandy, James Muenz

The sophomore team had a very impressive year. They started slow in preseason but at the end of the first round of play they had a 6-1 record. They then coasted to a 10-4 league record holding a firm lock on third place. The team, under new coach Greg Kinder, was led by the rebounding of Fred Ferrino, ball handling of David Smith, and all around play of Kent Bandy. This group of individuals complimented each other very well, and will try to keep up the tradition of excellence on the LHHHS basketball program in future years.

Frosh Finish 18-0!!

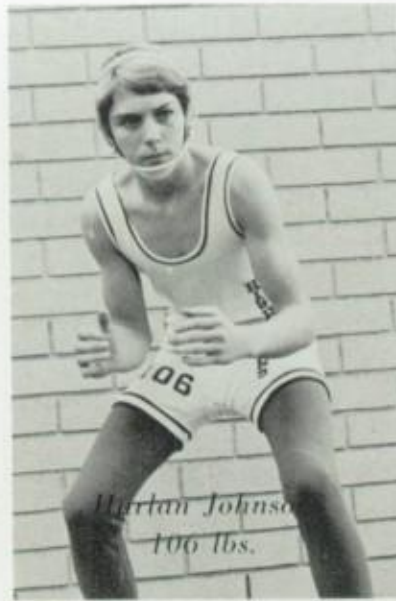

Front Row: Coach DeGeorge Row 2: John Blake, Steve Chacon, Todd Thompson, Bill Delarosa, Mike Quintana, Javier Esparza, Mark Kirk, Bob Davis, Berle Hunter, Eddie Matamoros, Paul Palmer

This years Freshmen team did something that no other LHHS basketball team has done. They went undefeated in league (14-0) and throughout the year (18-0). One of the most remarkable feats they accomplished this year was that they won their games by an average of 15 points. They also extended the freshmen winning streak to 34 games. All this was done under first year coach Mike DeGeorge. Although it was a total team effort, Mark Kirk and Javier Esparza were named MVP'S. That makes two champions in two years of Orange League competition achieved at the freshmen level.

The 1977-78 wrestling season was definitely the best effort put out so far by a La Habra wrestling squad. An unprecedented seven Clan wrestlers qualified for the C.I.F. Prelims.

Orange League Champions Mike Findling and Curt Glandorf led the Highlanders to a final record of 8-3, including a second place finish in the Orange League and a second in the Canyon Invitational.

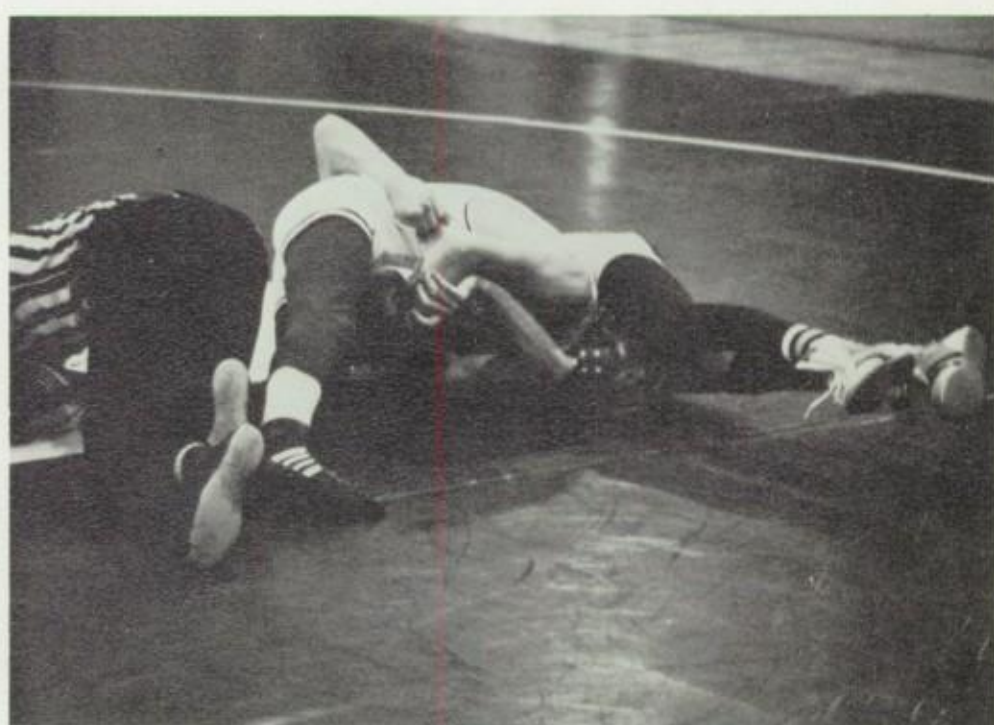

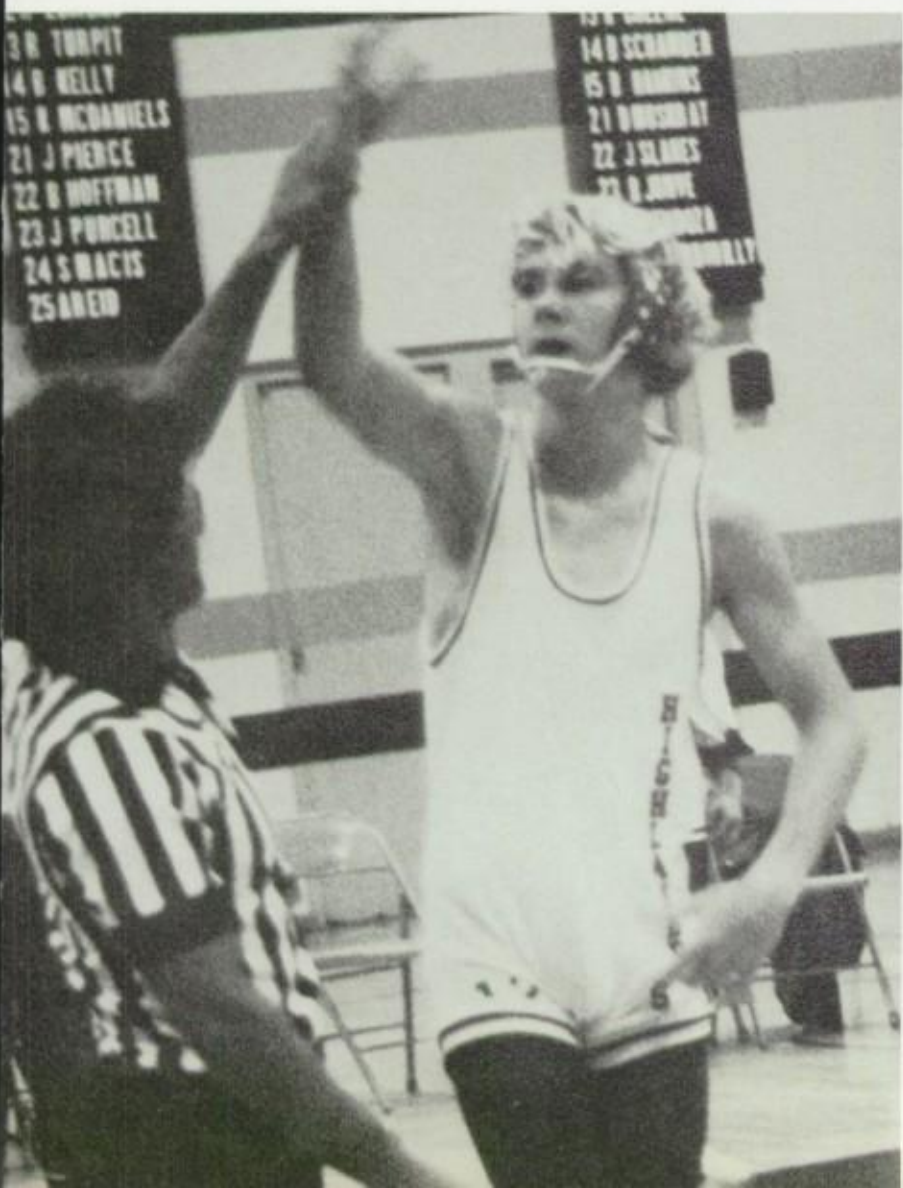

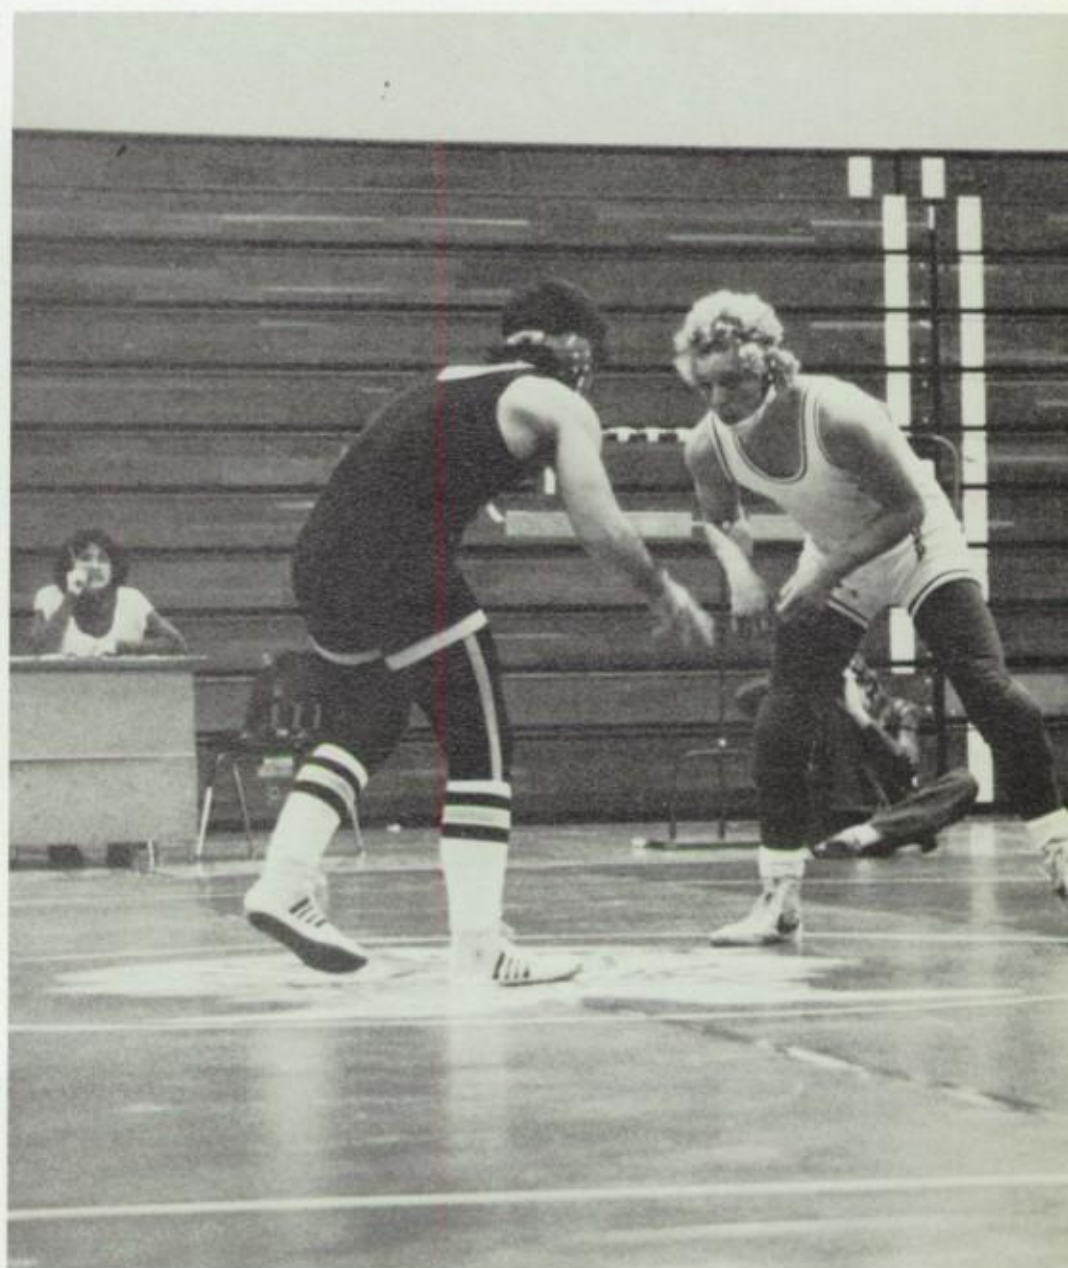

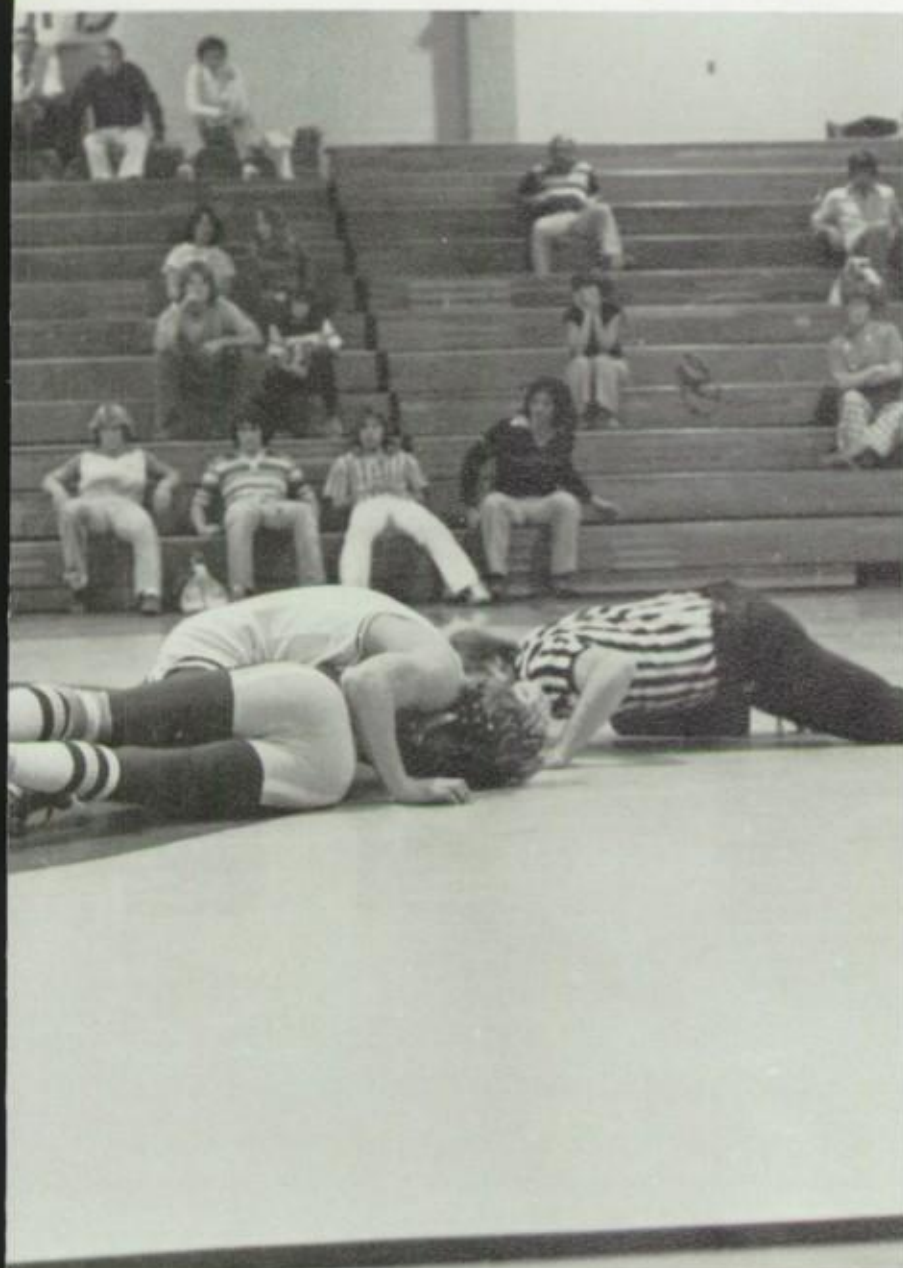

Second place finishers in the League were Dean Hoppe, Kent Santillan, and Tom Magdaleno. Leo Aguirre and Dave Wilson took third places.

Head Coach Harry Dolen, in his first year as wrestling coach, did a fine job preparing his group for a successful season. He also shaved off his moustache as a payoff to a promise he made his team at the beginning of the year.

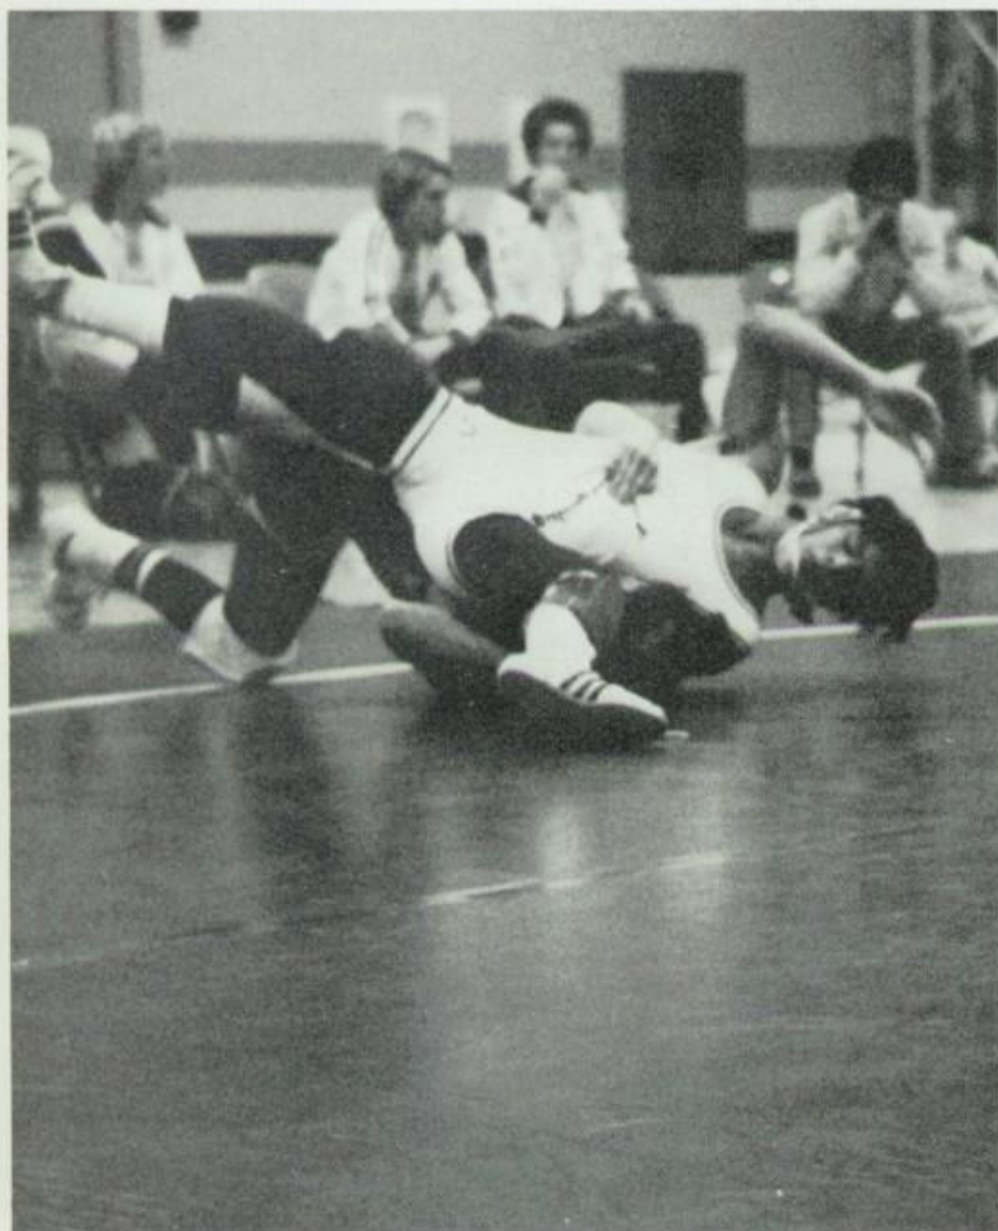

Controversy seemed to cling to the Clan all season long. There was another skirmish with Brea, a faulty weigh-in causing a forfeit to Sonora, along with some extra curricular activities during team meals.

All in all, it was a profitable season for the mighty Highlanders, and most certainly the best wrestling team ever in the history of La Habra High.

The J.V. Wrestling team did a fine performance this year with a 7-4 season. Coach Dolen did a fine job coaching. The outstanding members included Chris Bohne, John Korylo (Fastest pin-19 seconds), John Aguilar, Gary Payton, and John Corina. With their fine work this year, La Habra looks forward to a great team next year for most team members will be returning.

Two Tankers Gain League Honors

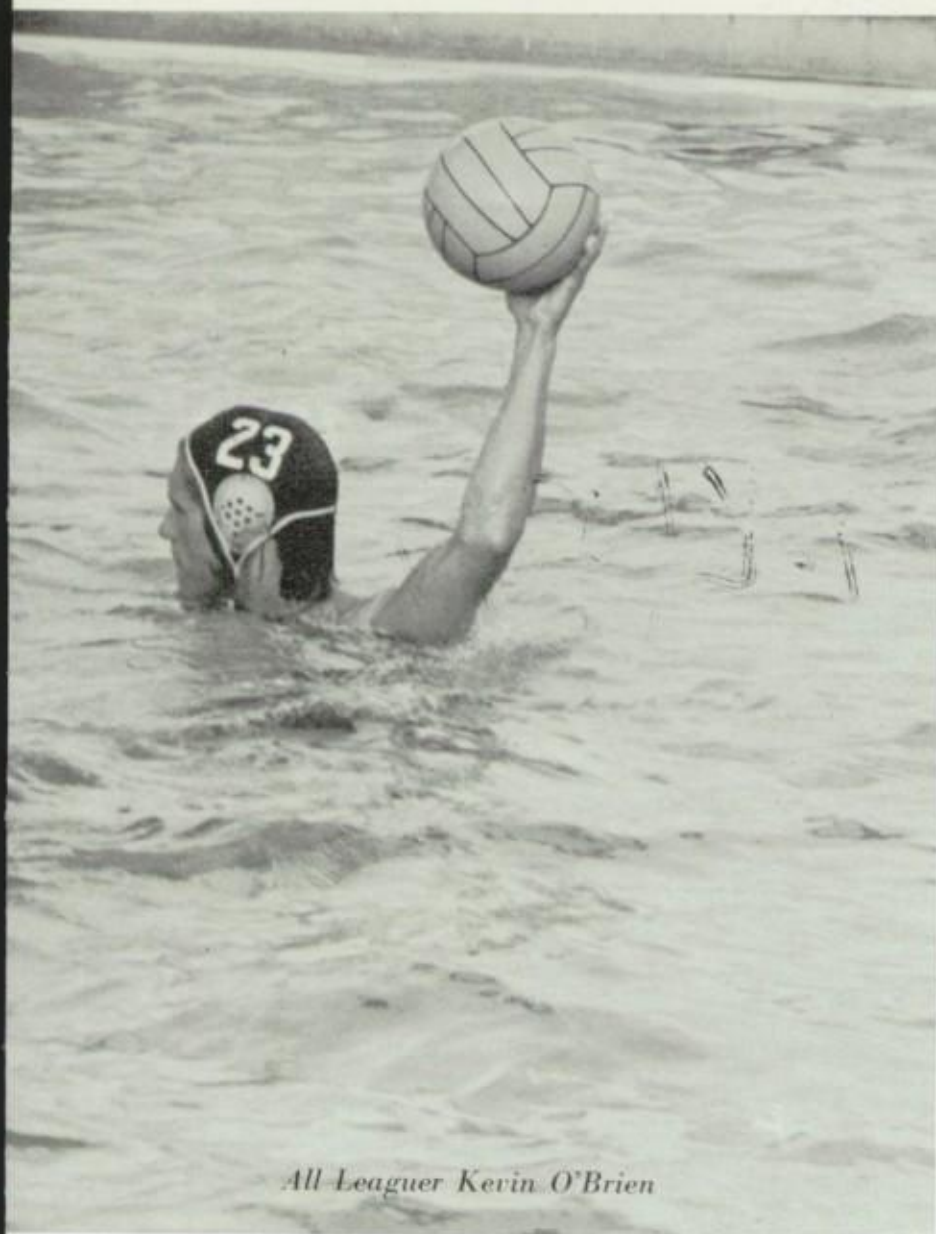

This year's Varsity Water Polo team had a disappointing season. They posted a 1-6 league record and a 3-17 overall record. Although it may have been a disappointing season, there were a few bright spots. They had All-League performances by Seniors Kevin O'Brien and Mike Lally. At the awards banquet, individual awards went to three seniors. Kevin O'Brien and Mike Lally were chosen Most Valuable Offensive Players. Eric Herman was chosen as the Most Valuable Defensive Player. Although this was Coach Swanson's first losing season, he commented that with a few lucky breaks, the Highlanders could have won more of their ball games. Coach Swanson also stated that he is looking forward to next year, which could prove to be an outstanding season.

This year's Frosh-Soph. Water Polo Team ended the season with a 2-12 overall record. Brock McClure led the team of 14 boys and 1 girl, Charisse Hoffman. With only four players returning to next year's varsity, Coach Swanson will have to look to this Frosh/Soph team to fill the vacant spots. Although the team did not have a great win-loss record, they did gain valuable playing experience.

Football 1977

Mishaps Plague Defending

The 1977 season was one that was filled with "almosts". In most of the games, one or two plays could have made the difference between victory and defeat.

It was also a season that saw much more passing than in years before. Roger Hovey had 990 yards passing on the season, including 280 yards against Brea-Olinda.

Carlos Rodriguez received 12 passes for 247 yards against El Dorado to set a new C.I.F. record. His season total (704 yards) was second only to Hovey, who had 1036 yards total offense.

Mark Hertzler carried 26 times for 125 yards against Canyon, that being another single game record for the Highlanders. He gained 375 yards on 99 carries to lead the Clan in rushing for the season.

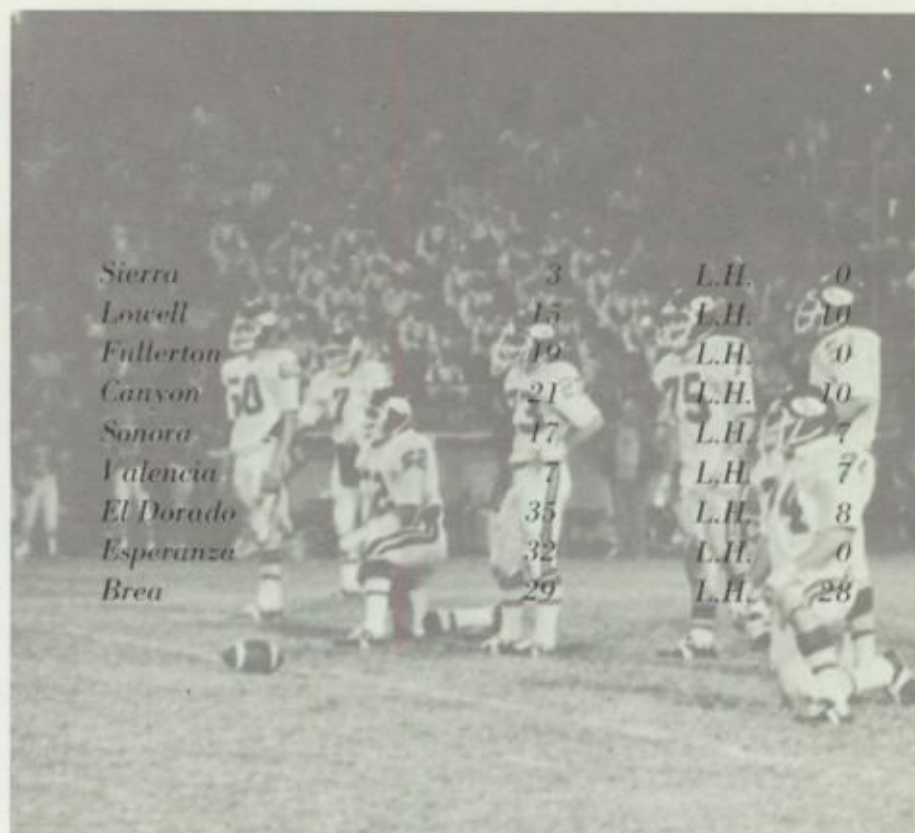

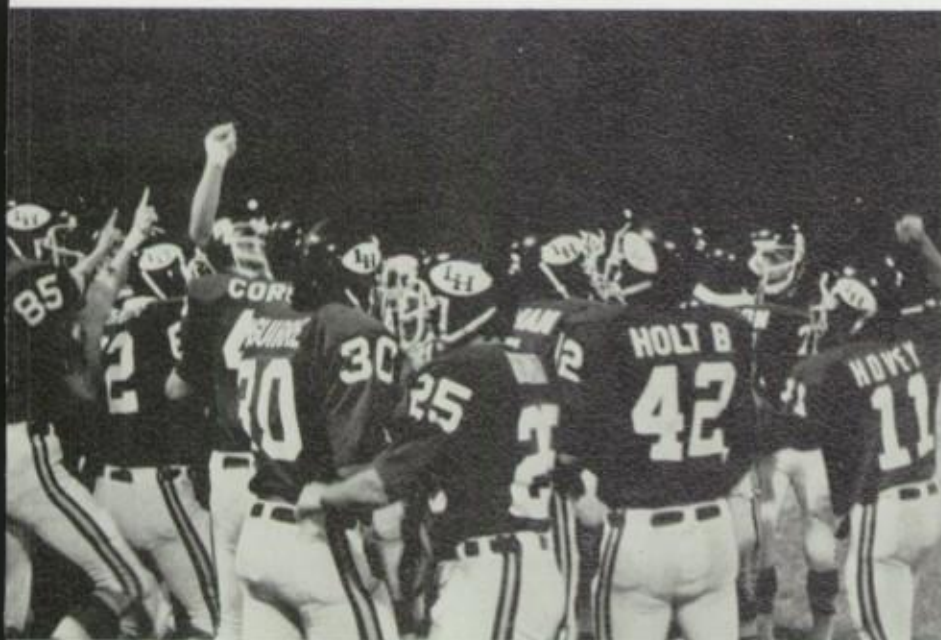

Another highlight of the season was John Foreman's 75 yard touchdown reception against Brea. Foreman had 502 total yards for the year, finishing third among Highlander offensive players.

All in all, the 1977 season was not what might have been expected, however, there were many bright spots among the underclassmen that gained Varsity experience. It will be these bright spots that turn into brilliant performances in the coming years, and propel the La Habra Highlanders into supremacy once again.

Sophomores Keep up Hard Hitting Tradition

This year's team had a 2-6-1 overall record. They started out very strong compiling 2-0-1 record after the first three games but then lost six in a row. Two reasons for this big turn around was injuries to key players and the promotion of three starters to varsity. By the end of the season, they had a total of seven sophomores on varsity. The sophomores were led by lineman of the year Andy Rouch and back of the year Jim Palmer. Other players who had good seasons were; linemen Dennis Suttle and Mark Tapscott, while Gary Payton and Frank Super led the running attack. Dave Williams led a very solid passing game.

Frosh Finish with

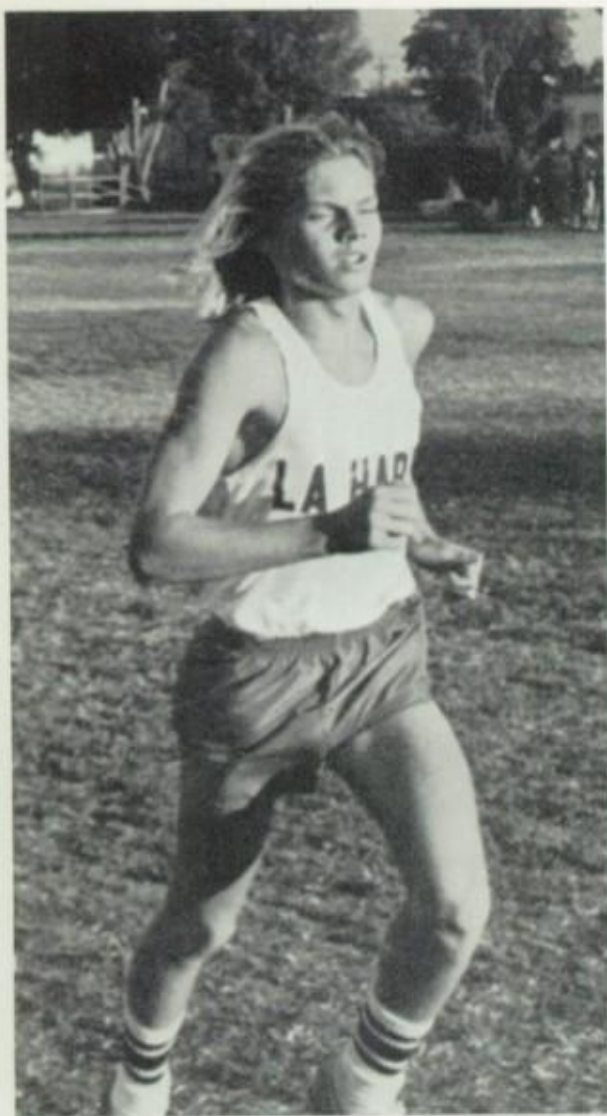

Great teamwork and a strong defense led to a fine 5-3-1 season record for the frosh. Highlighting the season was a total of 4 shutouts. There were fine performances from a host of players such as Steve Chacon, who was the captain on offense and defense playing QB and LB. Billy DeLa Rosa was responsible for supplying the muscle on the team. Hardly a game went by without runners Kevin Long or Jim Muth breaking through opponents defense for a big gainer. Coach Quezada complimented this year's team by not naming individuals but saying that it was the whole team that led to this year's successful season.

Cross Country Has Good Showing

1977 proved to be an exciting year for the improved Varsity Cross Country team. The team had a 5-4 overall record and a 3-4 league record for a fourth place finish. This was in tough Orange, out of which came 3A CIF's first and fourth place teams. The Highlander team was lead by Senior Captain Brent Thompson, closely followed by Juniors Mike Tobin and Paul Croft. Senior Mike Rubino and Sophomores Kent Santillan, Warren Gates and Edd Maris then provided a strong foundation for the team.

1978 should be a thrilling year for the Clan runners, who although they will lose Thompson and Rubino to graduation, will be on the whole more experienced. They should also have Sophomore Dave Short and, Junior Tim Crandell, who were out with injuries this season.

La Habra's Future in Good Hands

The La Habra Junior Varsity Cross Country team had a hard year because although five are needed for a team the Highlanders were only able to field three. The injured Tim Crandell, along with fellow Junior Larry Hurd and Senior David Fiddler made up the team, and even though winless had a good time.

Clan Runners Have "Sole"

Front Row: Robert Rybkowski, Eric Freedman, Jon Haber. Back Row: Alan Fueng, Paul Garay, Darrell Pequignot, Todd Thompson

This year's Sophomore team had a rather dismal season, not because of lack of ability, but because of a shortage of runners. With three Sophomores on the Varsity team, only three runners, Tom Bastian, John Garcia, and Lewis Low, remained for the Sophomore team. Together they compiled a 1-8 record. The three performed well on an individual basis, however, that's what really counts.

The Freshman team, as usual for La Habra Cross Country, had a good season, compiling a 4-3 league record and a 6-3 overall. Led by Alan Fueng and Darrell Pequignot, followed closely by Todd Thompson and Paul Garay, the team had a strong finish, improving a great deal through the season. Much is expected of this team, and with some work, it will be delivered.

This year La Habra has a new principal, Mr. Charles Devereaux. He is experienced in many different areas, including teaching and police-work. We are happy to have Mr. Devereaux with us and wish him the best of luck.

The Physical Education teachers do many things for our school. Besides teaching every day, they coach for 2-3 hours after school. If not for these teachers, the word "sports" would be a myth. Many thanks are extended to our fine P.E. department and good luck in the future.

Get more oil from existing wells

Restoring or improving production in existing wells is the least expensive way of improving your profit picture.

Determining if a well is capable of higher production is "old hat" to Depthograph. We've been doing it accurately and inexpensively for over 40 years.

A Depthograph sonic fluid-level measurement will tell you if your pump is out of order, starved or flooded out. If the well is to be pulled, Depthograph information is invaluable as it has already determined the cause of loss of production—under operating conditions. The Depthograph well survey will eliminate guess work, save time and money.

Precise fluid level measurements are made by experienced operators of Depthograph's proven instruments and recorder.

COULD YOU USE \$8100 TO FURTHER YOUR EDUCATION?

With tuition costs at colleges and vocational/technical schools at an all-time high, many high school graduates are finding themselves able to meet admission standards, but unable to afford the tuition.

The Navy wants all qualified candidates to achieve the goal of higher education. And we can help, through a dramatic new program called the Veterans Educational Assistance Plan.

Under this plan, Navy men and women can save from \$50 to \$75 each month, and their savings will be matched 2 for 1! If you save \$2700 over a three year period, the Government will match this with \$5400—for a combined saving of \$8100!

Get all the facts. Just call your nearest Navy recruiter. He can tell you how to get ahead in the Navy. And how easy it is to save \$8100. Call or write:

Annual

Staff

This year's book has been a personally gratifying experience, because I was able to design and execute the cover and division pages. It was the intent of the editors to portray life through the use of the seagull. I hope the stained glass windows elucidated the theme for everyone.

We have been fortunate these past years to have a professional photographer who has been a tremendous help in every way—Ernie Hartman of Albert & James Studio. We will miss Ernie in the future and thank him for his dedication to our yearbook and school. I also want to extend our gratitude to Albert & James for their help in producing this issue of the Hieland.

I'm sure you will agree that this is one of La Habra's best yearbooks, due to the diligent efforts of our editor Marie Eller, and co-editor Natalie Sorrell and staff. Through the dedication of the yearbook staff and the help of our advertisers we are able to give you the largest book ever published by La Habra High School.

With this in mind, please support our advertisers!

The staff and I wish the graduating class of 1978 much success.

W. Keith Pendell

A yearbook's staff has the task of compiling a summation of the various aspects of the school year. My friend and co-editor Natalie Sorrell and I chose to use the seagull as a symbol to unify and diverse elements of a student's life.

"Before us unfolds the wonders of the world . . ." as well as its trumois. As the seagull soars to higher realms, we also have tried to soar by the depiction of the seagull in stained glass. It is our hope that our intent meets with your approval.

Our heartfelt thanks go to Mr. Pendell for spending many long hours in designing and cutting the glass for the windows.

Photography is a major part of a yearbook. Albert & James Studios provided La Habra High with many gifted photographers. A very special one to us was Ernie Hartman. The future staffs will miss someone special.

It is hard to express my feelings to my staff. They worked long and hard to complete the task of putting forth the best yearbook ever. There will never be another year like 1978.

Marie Eller
